

CURRICULUM VITAE
PHILIP A. FISHER, PHD

EDUCATION

Postdoctoral Fellow, University of Washington, Seattle, Department of Psychiatry & Behavioral Sciences, 1994–1995

Doctor of Philosophy in Clinical Psychology University of Oregon, 1993

Master of Science in Clinical Psychology, University of Oregon, Eugene, 1990

Bachelor of Arts, Bowdoin College, Brunswick, ME, 1986 (magna cum laude; honors in Psychology)

RESEARCH GRANTS AND AWARDS

Co-Principal Investigator, Targeting Neurobiological and Behavioral Mechanisms of Self-Regulation in High-Risk Families, \$3,031,280, (DA036533), 2015-present

Principal Investigator, The role of cognitive skills in mediating risk and resiliency pathways between patterns of maltreatment experiences and longitudinal outcomes; findings from a nationally representative sample, \$105,764, (90CA181801), 2014-present

Co-Principal Investigator, Tailored Inhibitory Control Training to Reverse EA-linked Deficits in Mid-life, \$670,460, (AG048840), 2014-present

Co-Principal Investigator, Translational Drug Abuse Prevention, (DA035763), 2013-present

Principal Investigator, Randomized Trial of KEEP-P, a Preventative Intervention for Foster Preschoolers, \$1,191,192, (HD075716), 2013-present

Co-Investigator, Adapting a Decision-Making Task to Explore its ERP Correlates Through Adolescence, \$409,895 (HD072363), 2013-2015

Co-Investigator, The Role of Risk Taking and Inhibitory Control on Alcohol Use in Maltreated Youth, \$1,002,048, (AA021973), 2013-present

Translational Science Award, Society for Prevention Research, May 2012

Co-Investigator, Examining the Effects of Working Memory Training in Low SES Children, \$397,565, (HD0735589), 2012-2014

Co-Investigator, A Randomized Efficacy Trial of the Kids in Transition to School Program to Improve the School Readiness of Children in Disadvantaged Communities (R305A120391), 2012-present

Co-Investigator, A Micro-social Video-Coaching Intervention for Toxically Stressed EHS Families, \$399,999, (90YR0056/01), 2011-present

Co-Investigator, KITS: Long-Term Effects of a School Readiness Intervention for Foster Children, \$6,523,759, (DA021424), 2010-2015

Co-Investigator, Development and Psychopathology Research Training Grant, \$1,773,682, (MH020012), 2009–2014

Co-Investigator and Co-Director, Early Experience, Stress and Neurobehavioral Development Center, \$9,874,276, (MH078105), 2009–2014

Co-Investigator, Risk for Substance Use in Foster Adolescents: An fMRI Study of Inhibitory Control,

\$222,000, (DA026501), 2009–2011

Co-Investigator, Center for Drug Abuse Prevention in the Child Welfare System, \$6,311,121, (DA023920), 2008–2013

Co-Investigator, A Randomized Efficacy Trial of the Kids in Transition to School (KITS) Program for Children with Developmental Disabilities and Behavioral Problems (R324A080026), 2008–2013

Co-Investigator, The Early Growth and Development Study: Family Process, Genes and School Entry, \$14,918,275, (HD042608), 2007–present

Co-Investigator, Community Development Teams to Scale-Up MTFC in California, \$5,700,271, (MH076158), 2006–present

Principal Investigator, Dimensions of Early Stress and Child Welfare Involvement, \$2,414,509, (HD045894), 2005–2012

Principal Investigator, EIFC: Outcomes Through Middle Childhood, \$5,858,012, (also Principal Investigator on subcontract, MH059780), 2005–2011

Co-Investigator, KITS: School Readiness in Foster Care Efficacy Trial, \$6,523,759, (DA021424), 2005–2010

Co-Investigator, Pathways Home: Reducing Risk in the Child Welfare System, \$5,806,603, (also Co-Investigator on subcontract, DA017592), 2003–2008

Co-Investigator, Improving Care for Children in Child Welfare: Child and Adolescent Interdisciplinary Research Network, \$1,566,428, (subcontract, MH067377), 2002–2006

Co-Investigator, 5 Tribes Behavioral Health Consortium Tribal Epidemiology Program (1 U26 94 00016), 2002–2004

Co-Investigator & Administrative Director, Early Experience, Stress Neurobiology, & Prevention Science, \$2,722,538, (also Principal Investigator on subcontract, MH065046), 2001–2006

Co-Investigator, Oregon Prevention Research Center Grant, \$18,447,082, (MH046690), 2000–2005

Co-Investigator, Internet-based interventions for youth disorders, \$1,748,981, (MH061422), 2000–2005

Principal Investigator, Indian Wellness Preventive Intervention Project, \$3,125,403, (DA012231), 1999–2004

Principal Investigator, Early Intervention Foster Care: A Prevention Trial, \$3,270,037, (MH059780), 1999–2004

Principal Investigator, Process of Fathering—Effects on His Child’s Competence, \$382,336, (HD019739), 1998–2001

Co-Investigator, The Origins of Mental Health Problems in the Family, \$3,318,195, (MH037911), 1997–2002

Principal Investigator, Early Intervention Foster Care, \$35,993, (MH056932), 1997–1998

Co-Investigator, Process of Fathering—Effects on his Child’s Competence, \$857,367, (HD019739), 1995–1998

University Laurel Scholarship, University of Oregon, 1992–1993

National Research Service Award, NIMH/U.S. Public Health Service, 1991–1993

Scholarship Award for Research Excellence, Western Psychological Association, 1991

PROFESSIONAL AND LEADERSHIP EXPERIENCE

Member, Sesame Workshop-LEGO Foundation Global Advisory Board, 2016-present

Director, Center for Translational Neuroscience, University of Oregon, 2015- present

Director of Clinical Training, University of Oregon Clinical Psychology Doctoral Program, 2014-present

Executive Committee, Prevention Science Institute, University of Oregon, 2013-present

Senior Fellow, Oregon Social Learning Center, 2013–present

Science Director, National Forum on Early Childhood Policy and Programs, Harvard University, 2011–present

Senior Fellow, Harvard University Center on the Developing Child, 2011-present

Member, Committee on Child Maltreatment Research, Policy, and Practice for the Next Generation, Institute of Medicine and National Research Council of the National Academies of Science, Engineering, and Medicine. 2011-2013

Member, University of Oregon Science Council, 2010–2012

Member, National Forum on Early Childhood Policy and Programs, Harvard University, 2010–2011

Member, National Scientific Advisory Council on the Developing Child, Harvard University, 2010–present

Professor, University of Oregon Department of Psychology, 2008–present

NIDA National Advisory Council Prevention Research Review Workgroup Member, 2008–2010

Senior Scientist, Oregon Social Learning Center, 2008–2013

Senior Scientist, Center for Research to Practice, 2002–2013

Associate Director, Oregon Social Learning Center, 2002–2005, 2006–2008

NIDA Native American Scholars & Researchers Workgroup Member, 2000–2006

NIH Center for Scientific Review Study Section Member, CHLP, 2000-2006; PDRP, 2006-2011

Adjunct Professor, University of Oregon, Eugene, 1998–2008; University of South Florida, Tampa, 2003–2008

Licensed Psychologist (#1240), State of Oregon, 1996–present

Research Scientist, Oregon Social Learning Center, 1995–2008

Research Methodologist, Colville Confederated Tribes Adolescent Mental Health Study, Colville Indian Reservation, WA, 1995–1997

Data Analyst, Child & Infant Development Project & Preschool Families Project (PI: Matthew Speltz), University of Washington School of Medicine, Department of Child Psychiatry, Seattle, 1994–1995

Psychology Resident, University of Washington & Children’s Hospital & Medical Center, Seattle, WA, 1994–1995

Clinical Psychology Intern, Portland VA Medical Center, Portland, OR, 1993–1994

Research Associate & Methodologist, Oregon Social Learning Center, Eugene, 1989–1993

Research Fellow, U.S. Army Research Institute for the Behavioral & Social Sciences/Consortium of

Universities, Washington, DC, 1988–1989

Research Assistant, Harvard Medical School & Massachusetts Mental Health Center, Boston, 1988

Head Teacher/Supervisor, United South End Settlements Enrichment Youth Services Program, Boston, MA, 1987–1988

Clinical Team Supervisor, Program Coordinator, Wediko Children's Services, Boston, MA, 1986–1988

PROFESSIONAL MEMBERSHIPS

American Association for the Advancement of Science

American Psychological Association

Society for Prevention Research

Society for Research in Child Development

COMMUNITY LEADERSHIP

Member, Medical Advisory Panel, The Honest Company Social Goodness Platform, 2015

Member, Pacific Northwest Advisory Board, SPOON Foundation, 2013–present

Member, Medical Advisory Board, SPOON Foundation, 2013–present

Success by 6 Leadership Team, United Way of Lane County, 2009–2011

Kiff, C. J., Zalewski, M., Lengua, L. J., and Fisher, P. A. (2013, April). *Conditional effects of cumulative risk: How executive and physiologic regulation predicts preschool-age adjustment*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

Pears, K. C., Graham, A. G., Kim, H. K., and Fisher, P. A. (2013, April). *Effects of a school readiness intervention for children in foster care on diurnal cortisol at the start of school*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

Roos, L. E., Leve, L. D., Neiderhiser, J. M., Shaw, D., Natsuaki, M., and Fisher, P. A. (2013, April). *Genetic, environmental, and prenatal influences on a co-occurring symptom phenotype*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.

Fisher, P. A. (2013, March). *Overcoming early life adversity: Lessons from the confluence of developmental psychology, early intervention and translational neuroscience*. Invited address at the 40th Annual CME Conference of the Oregon Psychiatric Association, Portland, OR.

2012

Fisher, P. A. (2012, November). *Promoting optimum development of vulnerable children, youth and families*. Invited keynotes address at the Fostering Hope Initiative: Closing the Gap Summit II, Salem, OR.

Fisher, P. A., Lynch, F. L., Saldana, L., & Dickerson, J. F. (2012, October). *An economic analysis of Multidimensional Treatment Foster Care for Preschoolers (MTFC-P)*. Paper presented at the 59th Annual Meeting of the American Academy of Child and Adolescent Psychiatry (AACAP) 2012, San Francisco, CA.

Fisher, P. A. (2012, October). *How early childhood experience shapes the developing brain and why parenting is so important*. Invited keynote address at the Oregon Parenting Education Collaborative Networking Conference, Corvallis, OR.

Fisher, P. A. (2012, October). *Brain development of children in foster care*. Invited keynote address at the Oregon Juvenile Law Training Academy for the Oregon Criminal Defense Lawyers Association, Eugene, OR.

Fisher, P. A. (2012, May). *Applying knowledge about how stress affects the developing brain to improving outcomes for adopted, foster, and other maltreated children*. Symposium conducted at the Early Brain and Biological Development Symposium for the Alberta Family Wellness Initiative, Norlien Foundation, Banff Alberta, Canada.

Fisher, P. A. (2012, March). *Neural plasticity: Using brain science to understand and help maltreated children*. Invited keynote address at the Healing the Generations 4th Annual Family Violence and Child Trauma Conference, Mashantucket, CT.

2011

- Fisher, P. A. (2011, November). *Studying early adversity and neural plasticity among maltreated children in foster care*. Paper presented at the Oregon Social Learning Center Conference on Adoption, Eugene, OR.
- Pears, K. C., Healey, C. V., Bruce, J., Fisher, P. A., & Kim, H. K. (2011, May). Regulation in children with developmental disabilities can be improved prior to school entry. In C. L. O'Donnell (Chair), *Focusing in school: Techniques to support regulation of attention and behavior in young children*. Symposium conducted at the APS 23rd Annual Convention, Washington, DC.
- Bruce, J., Fisher, P. A., Abdullaev, Y., & Mannering, A. M. (2011, April). *The behavioral performance and brain activation of foster children and nonmaltreated children during an inhibitory control task*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Fisher, P. A., Gunnar, M. R., & Fox, N. A. (2011, April). *Using developmental neuroscience to inform prevention research involving children with adverse early experiences*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Fisher, P. A., Lynch, F. L., Saldana, L., & Dickerson, J. F. (2011, April). *An economic analysis of Multidimensional Treatment Foster Care for Preschoolers (MTFC-P)*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Graham, A. M., Fisher, P. A., Gamache Martin, C., Aranguiz, C., & Abdullaev, Y. (2011, April). *Interparental conflict and neural processing of emotional stimuli in infancy*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Pears, K. C., Fisher, P. A., Bruce, J., & Kim, H. K. (2011, April). *An intervention to enhance self-regulation and school readiness in at-risk children: Results from two randomized efficacy trials*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Weller, J., & Fisher, P. A. (2011, April). *Assessing the impact of early adversity on advantageous decision making for risky gains and losses*. Paper presented at the biennial meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Fisher, P. A. (2011, January). *Interventions to promote neural plasticity in the child welfare system*. Invited colloquium at the University of California at Davis Distinguished Speakers in Psychology Services, Davis, CA.

2010

- Fisher, P. A. (2010, November). *Allostatic load revisited: HPA axis regulation and dysregulation in maltreated children*. Invited colloquium at Mt. Sinai School of Medicine, New York, NY.
- Fisher, P. A. (2010, November). *Applying models of the neurobiology of early life stress to preventive interventions for foster children*. Invited colloquium at Chapin Hall, University of Chicago, Chicago, IL.
- Fisher, P. A. (2010, October). *Improving the odds: Interventions to promote neural plasticity in maltreated children*. Invited colloquium, University of Oregon Department of Psychology, Eugene, OR.
- Fisher, P. A. (2010, September). *New developments in therapeutic programmes for young children in care*. Invited address to the Department for Education and Skills, Government of England, London, UK.

- Fisher, P. A. (2010, June). *Studying early adversity and neural plasticity among maltreated children in foster care*. Invited address at the Second Herzliya Symposium on Developmental Psychopathology, Tel Aviv, Israel.
- Fisher, P. A., Bruce, J., & Pears, K. (2010, June). *Alternations in patterns of diurnal HPA axis activity among maltreated foster children: Integrating models of prenatal stress and early adversity*. Paper presented at the annual conference of the Society in Prevention Research, Denver, CO.
- Fisher, P. A. (2010, April). *Brain plasticity and therapeutic interventions*. Invited address at the NIDA Developmental Neural Mechanisms of Cognitive Control: Implications for Drug Abuse Meeting, Washington, DC.
- Fisher, P. A. (2010, March). *Early adversity and the neurobehavioral development of children*. Invited lecture at the Edwards Lecture Series, University of Washington. Seattle, WA.

2009

- Fisher, P. A. (2009, December). *Developmental neuroscience as a transformative mechanism for prevention science*. Invited address at the National Scientific Council on the Developing Child, Washington, DC.
- Fisher, P. A. (2009, December). *Supporting healthy development and early learning in abused and neglected children placed in out of home care*. Invited address at the National Forum on Early Childhood Policy and Programs, Washington, DC.
- Fisher, P. A. (2009, September). *Integrating attachment and social learning theory in work with children and families*. Invited keynote address at the University of Lund, Familijeforum, Lund, Sweden.
- Fisher, P. A. (2009, September). *Models of the neurobiology of early life stress: Preventive interventions from foster care*. Invited address at the European Brain and Behavior Conference, Rhodes, Greece.
- Fisher, P. A. (2009, August). *How can research on child development inform juvenile court decision making?* Invited address at the Juvenile Court Improvement Project, Salem, OR.
- Fisher, P. A. (2009, May). *New developments in Multidimensional Treatment Foster Care for children ages 0–5*. Invited address at the European Conference on MTFC, Amsterdam, Netherlands.
- Fisher, P. A. (2009, May). *Preventing placement instability in foster care: Implications for healthy brain development*. Invited address at the Oregon Conference on Early Childhood, Portland, OR.
- Bruce, J., Fisher, P. A., & Pears, K. (2009, April). *The effects of early adverse care and a preventive intervention program on morning cortisol levels in young foster children*. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Bruce, J., Fisher, P. A., Posner, M., & Abdullaev, Y. (2009, April). *Differential patterns of brain activation during an inhibitory control task in foster children and nonmaltreated children*. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Fisher, P. A. (2009, April). *Neurobiological, genetic, and family influences on externalizing problems: Building a translational developmental model*. Invited symposium discussant at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Fisher, P. A. & Dozier, M. (2009, April) *Mental health outcomes for children in two therapeutic foster care randomized trials*. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Weller, J., Levin, I., Denburg, N. & Fisher, P. A. (2009, April). *Charting the developmental trajectory of adaptive decision making across the lifespan from ages 5–85*. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.

2008

- Fisher, P. A. (2008, October). *Improving readiness to learn among vulnerable children*. Invited address at the British Columbia Champions for Children conference, Vancouver, BC.
- Fisher, P. A. (2008, September). *Integrating developmental neurobiology and prevention science in research on children in foster care*. Invited colloquium at the University of Washington Social Development Research Group, Seattle, WA.
- Fisher, P. A. (2008, July). *Use of neurobiological measures in research involving foster children*. Paper presented at the Care Matters: Transforming Lives—Improving Outcomes Conference, Oxford, UK.
- Fisher, P. A. (2008, April). *Preventive interventions for psychosocial and neurobiological vulnerabilities of young foster children*. Invited colloquium at the Institute for Human Development and Social Change, New York University, New York, NY.
- Fisher, P. A. (2008, April). *Preventive interventions for psychosocial and neurobiological vulnerabilities in young foster children*. Invited colloquium at the University of Michigan Department of Psychology, Ann Arbor, MI.
- Fisher, P. A. (2008, March). *Research-based decision making for infants and young children in foster care*. Invited address to the Hawaii Family Court Program, Honolulu, HI.
- Fisher, P. A. (2008, March). *Interventions for young foster children to promote social-emotional development and school readiness*. Paper presented at the Blueprints for Violence Prevention Meeting, Denver, CO.
- Fisher, P. A. & Chamberlain, P. (2008, March). *Advanced MTFC*. Paper presented at the Blueprints for Violence Prevention Meeting, Denver, CO.
- Fisher, P. A. (2008, February). *Applying models of the neurobiology of early life stress to preventive interventions for foster children*. Invited presentation to the Canadian Institute for Advanced Research, Vancouver, BC, Canada.
- Fisher, P. A. (2008, January). *Stress, context, and neurobiology: Prevention implications from foster care*. Invited colloquium at the University of Washington School of Social Work, Seattle WA.
- Fisher, P. A. (2008, January). *Early intervention for foster preschoolers: Evidence of effects on psychosocial and neurobiological functioning*. Invited address at John Jay College of Criminal Justice, New York, NY.

2007

- Fisher, P. A. (2007, October). *The biology and neurobiology of prevention*. Invited plenary address at the European and International Congress of Addiction, Hepatitis, and AIDS, Biarritz, France.
- Fisher, P. A. (2007, September). *Effects of a therapeutic intervention on psychosocial and neurobiological functioning following chronic early neglect*. Invited presentation to the NIH-funded Translational Research on Child Neglect Consortium, Duke University, Durham, NC.
- Fisher, P. A. (2007, September). *Neurobiology and prevention*. Invited presentation at the NIH Intervening Early: Progress and Opportunities in Child Service Settings Meeting, Washington, DC.
- Fisher, P. A. (2007, July). *Integrating neurobiological measures into preventive intervention studies: Implications for FASD research*. Keynote address at the Fetal Alcohol Spectrum Disorders Study Group of the Research Society on Alcoholism, Chicago, IL.
- Fisher, P. A. (2007, May). *Research into practice: Clinical issues for younger children in the social care system*. Invited presentation at the European MTFC Research Conference, London, England.

- Fisher, P. A. (2007, May). *Effects of comprehensive intervention on behavior and physiological stress system activity for preschoolers in foster care*. Invited address at the USC-IPR/NIH Conference on Interdisciplinary Science, Health Promotion & Disease Prevention, Pasadena, CA.
- Bruce, J. M., Dozier, M., Pears, K. C., & Fisher, P. A. (2007, March). *The Effects of Early Adversity on Neurocognitive Development: Studies of Young Children in Domestic Foster Care*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Fisher, P. A., Stoolmiller, M., & Kim, H. K. (2007, March). *Effects of Comprehensive Intervention on Behavior and Physiological Stress System Activity for Preschoolers in Foster Care*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Fisher, P. A., Tininenko, J. R., & Pears, K. C. (2007, March). *Neurobehavioral Disinhibition in Preschool-Aged Foster Children as a Moderator of Intervention Outcomes*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Leve, L. D., Fisher, P. A., Kim, H. K., & Reiss, D. (2007, March). *Environmental Moderation of Genetic and Neuroregulatory Influences on Children's Internalizing Behavior*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Tininenko, J. R., Fisher, P. A., Kim, H. K. & Pears, K. C. (2007, March). *Risk for Neurobehavioral Disinhibition Among Foster Children and Low Income Community Children in Early Childhood*. Paper presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Fisher, P. A. (2007, January). *Interventions for improving regulation in foster children*. Invited paper presented at the University of Oregon Brain, Biology, and Machine Initiative Meeting entitled Neuroscience and the Prevention of Mental Illness and School Failure, Eugene, OR.

2006

- Fisher, P. A. (2006, December). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited presentation, Armagh, Ireland.
- Fisher, P. A. (2006, July). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at De Bascule, Amsterdam, Netherlands.
- Leve, L. D., Chamberlain, P., & Fisher, P. A. (2006, July). *Improving child outcomes with Multidimensional Treatment Foster Care*. Poster presented at the International Adoption Research Conference, Norwick, UK.
- Fisher, P. A. (2006, June). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at the Annie E. Casey meeting, Baltimore, MD.
- Fisher, P. A., & Bruce, J. (2006, May). *A neural regulatory systems model for high-risk children: Implications for prevention science*. Paper presented at the annual meeting of the Society for Prevention Research, San Antonio, TX.
- Fisher, P. A., Bruce, J., Martin, J., & Fox, N. (2006, May). *Foster children's behavioral and physiological performance on an executive functioning task*. Preconference presentation at the annual meeting of the Society for Prevention Research, San Antonio, TX
- Fisher, P. A. (2006, April). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at the Annie E. Casey meeting, Nashville, TN.
- Fisher, P. A. (2006, April). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented to Familjeforum, Lund, Sweden.

Chamberlain, P., & Fisher, P. A. (2006, March). *The MTFC family of programs: Descriptions, evidence-based and implementation*. Session presented at the annual Blueprints Conference, Denver, CO.

Fisher, P. A., Gunnar, M., Dozier, M., Bruce, J., & Pears, K. C. (2006, February). *Effects of a therapeutic intervention for foster children on behavior problems, caregiver attachment, and stress regulatory neural systems*. Paper presented at the New York Academy of Sciences Resilience in Children conference. Arlington, VA.

2005

Fisher, P. A. (2005, October). *Early intervention in the child welfare system: Programming and policy issues*. Paper presented at the Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.

Fisher, P. A. (2005, October). *Multidimensional Treatment Foster Care with three populations: Teens with delinquency and mental health problems, children in "regular" foster care, and preschoolers*. Copenhagen, Denmark.

Fisher, P. A., Bruce, J., & Pears, K. C. (2005, October). Translational research in the child welfare system: Behavioral and neurobiological indicators of change in foster children. Paper presented at the Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.

Fisher, P. A. (2005, September) *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Paper presented at the Rose Jenkins Conference, Sacramento, CA.

Fisher, P. A. (2005, June). *Multidimensional Treatment Foster Care: Mechanisms of the model*. Invited presentation at the Youth Horizons National Conference on Early Intervention, Wellington, NZ.

Fisher, P. A. (2005, June). *Planning a prevention program*. Invited presentation at the Youth Horizons National Conference on Early Intervention, Wellington, NZ.

Fisher, P. A. (2005, May). *Translational research on underlying mechanisms of risk among foster children: Implications for prevention science*. Invited plenary address presented at the annual meeting of the Society for Prevention Research, Washington, DC.

Fisher, P. A., & Pears, K. C. (2005, May). *Plasticity and concordance of HPA axis activity and behavioral adjustment among foster preschoolers in the Early Intervention Foster Care program*. In E. Ginexi (Chair), *The developmental plasticity of neural systems: Implications for prevention science*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Leve, L. D. & Fisher, P. A. (2005, April). *Outcomes and evidence-based interventions for youth with child welfare system involvement*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Liu, C. H.-J., & Fisher, P. A. (2005, April). *Emotion processes and cortisol regulation in foster care and community children*. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Chamberlain, P., & Fisher, P. A. (2005, March). *Multidimensional Treatment Foster Care (MTFC) family of programs*. London, England.

Fisher, P. A. (2005, March). *Permanent placement outcomes for children in the Early Intervention Foster Care efficacy trial*. London, England.

Fisher, P. A. (2005, March). *The Early Intervention Foster Care Program as a Model for Translational Research*. Invited presentation at the NIDA Multi-Problem Youth Meeting, Washington DC.

Fisher, P. A. (2005, April). *Translational research on underlying mechanisms of risk among young foster children: Implications for intervention development*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

Gunnar, M. R., & Fisher, P. A. (2005, March). *Early adversity and the physiology of stress*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

2004

Fisher, P. A. (2004, December). *Outcomes from the Early Intervention Foster Care randomized trial*. Invited address presented at Pennsylvania State University, State College, PA.

Fisher, P. A. (2004, December). *Developmental, cognitive, and neuropsychological functioning in preschool-aged foster children: Associations with prior maltreatment and placement history*. Invited address presented at Pennsylvania State University, State College, PA.

Fisher, P. A. (2004, August). *Important brain structures in dysregulation*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.

Fisher, P. A. (2004, August). *Cultural adaptation of prevention and intervention programs*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.

Fisher, P. A. (2004, August). *Interventions for high-risk children in foster care*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.

Fisher, P. A. (2004, July). *Interventions Programs for High-Risk Children*. Paper presented to the Foster Family Treatment Association, Nashville, TN.

Fisher, P. A. (2004, June). *Balancing empiricism and local cultural knowledge in the design of prevention research: American Indian communities as a case in point*. Paper presented at the NIDA Minority Health Disparities Conference, Washington, DC.

Bruce, J., & Fisher, P. A. (2004, May). *Training community members in community participatory research*. Presented at preconference workshop (Training of prevention scientists and practitioners across settings, cultures, and career levels) for the annual meeting of the Society for Prevention Research, Quebec City, Canada.

Fisher, P. A. (2004, May). *Training translational scientists*. Presented at preconference workshop (Training of prevention scientists and practitioners across settings, cultures, and career levels) for the annual meeting of the Society for Prevention Research, Quebec City, Canada.

2003

Fisher, P. A. (2003, June). *Promises and challenges in translational research: Interventions for preschool-aged foster children as a case in point*. Paper presented at the annual meeting of the College for Problems on Drug Dependence. Miami, FL.

Fisher, P. A. (2003, June). Promises and challenges in translational research: Interventions for preschool-aged foster children as a case in point. In W. M. Compton & D. Shrutleff (Chairs), *Linking basic and applied research: Finding new solutions through multidisciplinary drug abuse research*. Symposium conducted at the 65th Annual Scientific Meeting of the College on Problems of Drug Dependence. Bal Harbour, FL.

Fisher, P. A. (2003, April). *Changes in Maltreated Foster Children's Attachment in the Context of a Therapeutic Intervention*. Paper presented at the biennial meeting of the Society for Research in Child Development. Tampa, FL.

Fisher, P. A. (2003, April). *Plasticity of diurnal HPA axis activity in maltreated children: Effects of a therapeutic intervention*. Paper presented at the biennial meeting of the Society for Research in Child Development. Tampa, FL.

Fisher, P. A. (2003, January). *Early Intervention Foster Care: Preliminary results from a randomized clinical trial*. Invited colloquium at the University of Minnesota Institute of Child Development, Minneapolis, MN.

2002

Fisher, P. A. (2002, December). *Early foster care intervention: Behavioral and neurobiological indicators of change*. Invited presentation at the New York University Child Study Center.

Fisher, P. A. (2002, September). *Early foster care intervention: Behavioral and neurobiological indicators of change*. Invited presentation at the National Institute on Drug Abuse, Washington, DC.

Fisher, P. A. (2002, September). *The beneficial effect of foster care on children with traumatic early life experience*. Paper presented at the Mind, Brain, Body Interactions in Early Adverse Experiences meeting. Sedona, AZ.

Fisher, P. A. (2002, April). *Investigating longitudinal trends in correlations between maltreated foster children's behavior and L-HPA axis activity*. Paper presented at the biennial conference of the International Society for Infant Studies. Toronto, Canada.

2001

Fisher, P. A. (2001, September). *Being the "other": Majority research issues and the search for new paradigms in prevention research*. Invited address at NIDA's Bridging Science and Culture to Improve Drug Abuse Research in Minority Communities Conference, Philadelphia, PA.

Fisher, P. A. (2001, June). *Neurobiological functioning and behavior change among maltreated preschoolers in specialized foster care: Preliminary results from a randomized trial*. Paper presented at the biennial meeting of the International Society for Research on Child and Adolescent Psychopathology. Vancouver, BC, Canada.

Dozier, M., Levine, S., Gordon, K., Manni, M., Gunnar, M., Fisher, P. A., & Stovall-McClough, K. C. (2001, April). *Atypical daytime patterns of cortisol production among young children who entered foster care in infancy*. Paper presented at biennial meeting of Society for Research in Child Development, Tampa, FL.

Fisher, P. A. (2001, April). *The next generation of prevention research: Balancing science and community in the design, implementation, and evaluation of prevention trials*. Invited colloquium at the University of Washington School of Social Work, Seattle, WA.

Fisher, P. A. (2001, April). *Physical Growth, cortisol, and neuropsychological functioning among maltreated preschoolers in the foster care system*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Fisher, P. A. (2001, April). *Treatment foster care for maltreated preschoolers: Preliminary results from a randomized trial*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

2000

Fisher, P. A. (2000, June). *Processes to increase community empowerment in Native American prevention research: Report of a year's activities in the development of a prevention trial*. Paper presented at the annual meeting of the Society for Prevention Research, Montreal, Canada.

- Ellis, B. H., & Fisher, P. A. (2000, April). *Foster care children and attachment, physiology, and coercive interactions: An integrative model*. Poster presented at the annual meeting of the Western Psychological Association, Portland, OR.
- Fisher, P. A., Spence, J., Ray, J., Blacketer, K., Ball, T., & Petersen, F. (2000, April). *Native American community empowerment research: The Indian Family Wellness Project*. Symposium presented at the annual meeting of the Western Psychological Association, Portland, OR.
