RESEARCH AND TEACHING INTERESTS:

Summarizing research evidence and expert opinion on intervention effectiveness and implementability to inform policy-making and programmatic decisions.

EDUCATIONAL RECORD:

- 2014 Doctor of Philosophy completed at the University of Oxford in July, 2014. Major area of study: Social Intervention. Dissertation title: *Development of a CONSORT extension for social and psychological interventions*. Dissertation chair: Dr. Paul Montgomery.
- 2011 Master of Science completed at the University of Oxford in September, 2011. Area of study: Evidence-Based Social Intervention. Thesis title: *Assessing the reporting quality of psychosocial intervention randomised controlled trials: A pilot study*. Thesis chair: Dr. Paul Montgomery.
- 2010 Honors Bachelor of Arts completed at Loyola Marymount University in May 2010; major: Psychology, minor: Economics
- 2010 Honors Bachelor of Arts completed at Loyola Marymount University in May 2010; major: Philosophy

EMPLOYMENT HISTORY:

- 2026-Present Research Professor
- 2025-Present Assistant Director of Research
- 2022-2026 Associate Research Professor
HEDCO Institute for Evidence-Based Educational Practice, College of Education,
University of Oregon
- 2022 Associate Professor (Promotion with Tenure)
- 2018-2022 Assistant Professor (Tenure-Track)
Department of Social and Behavioral Sciences, Richard M. Fairbanks School of
Public Health, Indiana University, Indianapolis

2016-2018 Social & Behavioral Scientist
 2014-2016 Associate Social & Behavioral Scientist
 Department of Behavioral & Policy Sciences, RAND Corporation

2010-2014 Graduate Research Assistant
 Department of Social Policy & Intervention, University of Oxford

2007-2010 Research Assistant
 Departments of Psychology, Economics, and Political Science, Loyola Marymount University

TEACHING EXPERIENCE:

2018-2022 Tenure-Line Faculty
 Department of Social and Behavioral Sciences, Richard M. Fairbanks School of Public Health, Indiana University, Indianapolis

2016-2017 Adjunct Lecturer
 Psychology Department and the University Honors Program, Loyola Marymount University, Los Angeles, CA

2014-2018 Core Faculty
 RAND School of Public Policy

2006-2010 University Course and Writing Tutor
 Academic Resource Center, Loyola Marymount University

Courses taught:

Undergraduate courses: psychology, public health, research methods.

Graduate courses: intervention research, public health, public policy, research methods.

RESEARCH PRESENTATIONS:

A. Invited Presentations:

52. *Evidence Standards for Education Decision Making*. Invited webinar presentation and discussion for the Society of Research on Educational Effectiveness European Researchers Affinity Group (2026, May).

51. *Advancing Rigorous, Timely, and Relevant Syntheses of Research Evidence*. Invited presentation to the Centre for Evidence-Based Intervention, University of Oxford (2026, March).
50. *SPR Standards of Evidence Task Force III*. Invited session at the Society for Prevention Research Annual Meeting (2025, May).
49. *Living Evidence Implementation at the What Works Clearinghouse*. Invited speaker for webinar hosted by the Federation of American Scientists (2025, February).
48. *Open Science Standards: Updating the Society for Prevention Research Standards of Evidence on Intervention Effects*. Invited presentation to the Arizona State University T32 Research Training in Primary Prevention (2024, November).
47. *Introducing TOP 2025: An Updated Framework for Enhancing Research Transparency and Verifiability*. Invited webinar by the Center for Open Science (2024, November).
46. *How Do We Move Open Science forward in Educational Research?* Invited panel participant at the Society for Research on Educational Effectiveness Annual Conference (2024, September).
45. *Introduction to Computational Reproducibility: Assess and Improve the Verifiability of Your Empirical Research*. Invited presentation at the Society for Research on Educational Effectiveness Annual Conference (2024, September).
44. *SPR Standards of Evidence Task Force III*. Invited special session by the Society for Prevention Research at their 32nd Annual Meeting, Washington, DC (2024, June).
43. *Disciplining Quantitative Impact Analyses*. Invited by the Office of Planning, Research, and Evaluation (OPRE) as an expert panelist for an internal convening (2024, April).
42. *Incorporate Open Science Standards into the Identification of Evidence-Based Social Programs*. Invited presentation to the Center for Open Science Year of Open Science Culminating Conference (2024, March).
41. *Open Science Practices: An Introduction*. Invited presentation to the Department of Special Education Colloquium Series, College of Education, University of Oregon (2024, February).
40. *Implementing Open Science Standards at Peer-Reviewed Journals: The TOP Guidelines*. Invited presentation to the Libraries and School of Information Studies, College of Health and Human Sciences, Center for Early Learning, and Office of Research at Purdue University (2024, February).

39. *Communicating “Certainty of Evidence” Underpinning Meta-Analytic Findings*. Invited presentation to the Veterans Affairs Evidence Synthesis Program (2023, September).
38. *Exploring the Intersection of Human Research Protections and Open Science Practices*. Invited webinar presentation to the Association for Accreditation of Human Research Protection Programs (2023, April).
37. *An Introduction to Open Science Practices for Translational Research*. Invited webinar presentation for the Dakota Community Collaborative on Translational Activity (2023, April).
36. *An Introduction to Open Science Practices for Educational Effectiveness Research*. Invited webinar presentation for the Society for Research on Educational Effectiveness (2023, April).
35. *Implementation of Open Science Standards in the Evidence Ecosystem for Social and Behavioral Interventions*. Invited webinar presentation to the Meta-Research Innovation Center at Stanford, Stanford, CA, USA (2023, March).
34. *Open Science Standards for Evidence-Based Programs*. Invited presentation to the Office of Evaluation Sciences, U.S. General Services Administration (2023, February).
33. *Transparent, Open, and Reproducible Prevention Science*. Invited presentation to the National Institutes of Health Office of Disease Prevention “Methods: Mind the Gap” Webinar Series (2023, January).
32. *How to Evaluate Journal Implementation of Open Science Standards: The TRUST Process*. Invited presentation to the Berkeley Initiative for Transparency in the Social Sciences Open Research Seminar Series (2022, December).
31. *Methods for a Cumulative, Open, and Stakeholder-Engaged Prevention Science*. Invited presentation to the Prevention Science Institute, University of Oregon, Eugene, OR, USA (2022, October).
30. *Exploring the IRB’s Role in Promoting Broad Data Sharing and Open Science*. Invited speaker at New Frontiers in Human Subjects Research, hosted by the federal Office for Human Protections and the Indiana University Office of Research Compliance, Indianapolis, IN, USA (2022, September).

29. *A framework for open policy analysis*. Invited speaker at Science and Politics: Changing Attitudes and Emerging Methodologies, hosted by Western University, London, Canada (2021, November).
28. *Open scientific approaches to politics*. Invited panelist at Science and Politics: Changing Attitudes and Emerging Methodologies, hosted by Western University, London, Canada (2021, November).
27. *Implementing Open Science Practices in Educational Research*. Invited panelist at the 2021 Virtual Conference of the Society for Research on Educational Effectiveness (2021, October).
26. *Science to policy: What do we know about the science that becomes law?* Invited panelist at the virtual MetaScience 2021 Conference (2021, September).
25. *Transparent, open, and reproducible research*. Invited keynote presentation at the Cal State University (Fresno) Scholarly Communication Speaker Series, Fresno, CA, USA (2021, April).
24. *Transparent reporting: An introduction to reporting guidelines*. Virtual oral presentation for the IUPUI Preparing Future Faculty and Professionals Program, Indianapolis, IN, USA (2021, April).
23. *Finding “what works” using evidence clearinghouses*. Virtual oral presentation for First Friday’s with Fairbanks, Indianapolis, IN, USA (2021, April).
22. *Transparent, open, and reproducible research*. Invited oral presentation for the Southern California Clinical and Translational Science Institute (SC CTSI) Digital Scholar Webinar Series (2020, November).
21. *Current Debates and Future Areas of Exploration*. Invited panel discussion at the 2020 Office of Planning, Research, and Evaluation (OPRE) Virtual Methods Meeting “Exploring Core Components Research in Social Services Settings” (2020, October).
20. *Advancing the Use of “Core Components” Approaches in Federal, State, and Local Contexts*. Discussant for national webinar hosted by the Office of the Assistant Secretary for Planning and Evaluation, US Department of Health and Human Services (2020, September).
19. *Legal infrastructure, enabling institutional compliance*. Invited panel discussant at the Berkeley Initiative for Transparency in the Social Sciences “Unlocking the File Drawer” ideation workshop, Berkeley, CA, USA (2019, December).

18. *Building and Synthesizing Evidence: Replication*. Invited oral presentation at the 2019 Office of Planning, Research, and Evaluation (OPRE) Methods Meeting “Methods for Promoting Open Science in Social Policy Research”, Washington, DC, USA (2019, October).
17. *Evidence, policy, and funding school-based social and emotional learning interventions*. Webinar held for Mental Health Technology Transfer Center Network (2019, August).
16. *Open science brown bag session*. Oral presentation and discussion at the IUPUI University Library in Indianapolis, IN, USA (2019, July).
15. *Transparency, replication, and open science: Implications for the field of prevention science*. Invited discussant for roundtable session at the 2019 Society for Prevention Research Conference in San Francisco, CA, USA (2019, May).
14. *Shifting incentives in research in favor of open science practices*. Invited expert perspective for the first meeting of the National Academy of Sciences Roundtable on Aligning Incentive for Open Science, Washington, DC, USA (2019, February).
13. *Reaching all students: Social emotional learning (SEL) under ESSA*. Webinar held for Learning Forward (2018, February).
12. *Social and emotional learning interventions under the Every Student Succeeds Act: Evidence review*. Webinar held for The Hatcher Group (2017, December).
11. *How to do transparent, open, and reproducible research*. Invited keynote presentation at the Cal State University (Northridge) Open Science and the Future of Research and Education event, Northridge, CA, USA (2017, November).
10. *Increasing transparency and openness in health research*. Oral presentation at the RAND Health Board of Advisors Meeting, Washington, DC, USA (2017, October).
9. *Needle acupuncture and mindfulness-based relapse prevention for substance use disorders: Systematic reviews and meta-analyses*. Paper presented at the 2016 Defense Centers of Excellence for Psychological Health and Traumatic Brain Injury Summit (2016, September).
8. *Grading the quality of a body of evidence for complex interventions: challenges and the way forward*. Webinar held for the Evidence-based Practice Centers program of the US Agency for Healthcare Research and Quality (2016, September).
7. *A new reporting guideline for trials of social and psychological interventions: CONSORT-SPI*. Paper presentation to the Office of Planning, Research and Evaluation; Administration for

Children and Families; U.S. Department of Health and Human Services; Washington, DC, USA (2016, March).

6. *Mindfulness-based interventions for mental health and chronic pain*. Paper presented at the Military and Veteran Resiliency Summit, Naval Medical Center San Diego, San Diego, USA (2016, February).
5. *Promoting transparency of evaluations of social programs*. Paper presented to RAND's Labor and Population Unit, Santa Monica, USA (2015, October).
4. *Is it time to update reporting guidelines for non-randomized evaluation designs?* Paper presented to the RAND Center for Causal Inference, Washington, DC, USA (2015, May).
3. *Developing system level performance measures for evaluating models of care for inflammatory arthritis*. Plenary oral presentation at the Canadian Rheumatology Association-Arthritis Health Professions Association Annual Scientific Meeting, Quebec City, Canada (2015, February).
2. *Inconsistent interpretations of effect sizes in reviews of alcohol interventions: Why does it happen, and what can we do about it?* Paper presented to the RAND Drug Policy Research Center, Santa Monica, USA (2015, February).
1. *Developing a CONSORT Extension for Social and Psychological Interventions*. Paper presented at Green Templeton College, Oxford, UK (2013, May).

B. International Presentations:

28. *What's the harm in trying? Perceptions, problems, and prioritizing harms in socio-behavioral intervention research*. Symposium presenter at the Society for Research Synthesis Methods Annual Meeting, Chania, Greece (2026, June).
27. *TOP 2025: An Update to the Transparency and Openness Promotion Guidelines*. Virtual pre-conference symposia for MetaScience 2025 (2025, June).
26. *Implementation of Open Science Standards in the Evidence Ecosystem for Social and Behavioral Interventions*. Panel presentation at the Society for Research Synthesis Methods Annual Meeting, Portland, OR, USA (2022, July).
25. *Incorporating open science into evidence-based practice: The TRUST Initiative*. Panel presentation at the virtual MetaScience 2021 Conference (2021, September).
24. *Do "evidence-based" interventions need to be based on open science?* Panel presentation at the virtual European Health Psychology Society annual conference (2021, August).

23. *Open Science: The TRUST Initiative*. Virtual oral presentation to the UK What Works Network Operational Group. (2021, March).
22. *Advancing Strategies for Research Improvement Using Implementation Science*. Oral presentation at the 2020 REWARD | EQUATOR Conference, Berlin, Germany (2020, February).
21. *Aligning Research Transparency with Regulatory Protections for Human Research Subjects*. Poster and selected abstract presentation at the 2020 REWARD | EQUATOR Conference, Berlin, Germany (2020, February).
20. *Assessing and labelling the strength of evidence for decision makers: A case study with two UK What Works Centres*. Oral presentation at the 2019 What Works Global Summit, Mexico City, MX (2019, October).
19. *Open science and institutional review boards: Aligning research transparency with regulatory protections for human research subjects*. Poster presentation at the 2019 MetaScience Symposium in Stanford, CA, USA (2019, September).
18. *Engaging patients and caregivers managing rare diseases to improve the methods of clinical guideline development*. Oral presentation at the 2018 Guidelines International Network Annual Conference, Manchester, UK (2018, September).
17. *Assessing quality of the body of evidence – considerations for complex interventions and systems*. Oral presentation at the 2017 Global Evidence Summit, Cape Town, South Africa (2017, September).
16. *Developing decision rules for adolescent substance use treatment: Perspectives from four online stakeholder engagement panels*. Poster presentation at the 2017 annual meeting of the College on Problems of Drug Dependence, Montreal, Canada (2017, June).
15. *GRADE extension for complex interventions*. Workshop conducted at the 24th Cochrane Colloquium, Seoul, South Korea (2016, October).
14. *Registering, reporting, and reviewing social intervention trials to inform policy and practice*. Panel conducted at the 2016 What Works Global Summit, London, UK (2016, September).
13. *Improving transparency and reducing waste beyond biomedicine*. Paper presented at the inaugural REWARD/EQUATOR Conference, Edinburgh, UK (2015, September).
12. *Reporting guideline for trials of social and psychological interventions: CONSORT-SPI*. Paper presented at the British Educational Research Association annual conference, London,

UK (2014, September).

11. *A meta-analysis of 21st birthday alcohol interventions for college students*. Poster presented at the 11th INEBRIA (International Network on Brief Interventions for Alcohol & Other Drugs) Conference, Warsaw, Poland (2014, September).
10. *A spectrum of methods: Using appropriate evidence synthesis and evaluation methods for qualitative research*. Chair for panel session at the Campbell Colloquium, Belfast, UK (2014, June).
9. *A new reporting guideline for trials of social and psychological interventions: CONSORT-SPI*. Paper presented at the Campbell Colloquium, Belfast, UK (2014, June).
8. *Systematic review and critical appraisal of qualitative metasyntheses to develop a snapshot and taxonomy of practice*. Paper presented at the Campbell Colloquium, Belfast, UK (2014, June).
7. *Education reviews*. Discussant for panel session at the Campbell Colloquium, Belfast, UK (2014, June).
6. *Development of a CONSORT extension for interventions in public health and related disciplines*. Paper presented at the Royal Society of Medicine's Public Health Science: A National Conference Dedicated to New Research in Public Health, London, UK (2012, November).
5. *Strength in numbers: The power of measuring our work with parents*. Paper presented at Unite/CPHVA Annual Professional Conference, Brighton, UK (2012, November).
4. *Development of a CONSORT Extension for complex social interventions*. Meeting conducted at the 20th annual Cochrane Colloquium, Auckland, New Zealand (2012, October).
3. *Development of a CONSORT extension for randomised controlled trials evaluating complex behavioural change and psychological interventions*. Workshop conducted at 19th annual Cochrane Colloquium, Madrid, Spain (2011, October).
2. *Will you CONSORT with me?* Paper presented at the Centre for Evidence-Based Crime Policy and Campbell Collaboration Joint Symposium on Evidence-Based Policy, Washington, D.C., USA (2011, August).
1. *Will you CONSORT with me? Improving reporting quality to improve outcomes for people and organizations*. Poster presented at the 1st annual Global Implementation Conference, Washington, D.C., USA (2011, August).

C. National Presentations:

44. *How Can Evidence Clearinghouses Ethically Leverage Artificial Intelligence to Enhance Prevention Research, Policy, and Practice?* Panel discussant at the Society for Prevention Research Annual Conference (2025, May).
43. *Living Systematic Reviews of Prevention Interventions*. Speaker on panel “Advances in Rigorous and Relevant Systematic Reviews of the Prevention Science Literature” at the Society for Prevention Research Annual Conference (2025, May).
42. *Communicating Evidence Synthesis Findings to Non-research Audiences: What Do We Know? Where Do We Go from Here?* Panel moderator at the Society for Research on Educational Effectiveness Annual Conference (2024, September).
41. *From Evidence to Action: Navigating the Dual Challenges of Rigor and Relevance in Educational Research*. Panel participant at the Society for Research on Educational Effectiveness Annual Conference (2024, September).
40. *Innovative Evidence Synthesis Workflows to Support Reproducibility and Stakeholder Use*. Oral presentation at the 2024 Joint Statistical Meetings, Portland, OR, USA (2024, August).
39. *ROMPER: The RAND/USC OPTIC Method for Policy Expert Ratings*. Oral presentation for the Addiction Health Services Research 2020 Virtual Conference (2023, October).
38. *Open Science Standards: Where Should SREE Go From Here?* Oral presentation at the Annual Conference of the Society for Research on Educational Effectiveness (2023, September).
37. *Fulfilling Mandates for Evidence-Based Decision Making: Do Preventive Interventions Meet the Contexts and Needs of Diverse Communities?* Chair for roundtable discussion at the 31st Annual Meeting of the Society for Prevention Research (2023, May).
36. *How to Effectively Use Reporting Guidelines*. Panel presentation at the American Educational Research Association Annual Meeting, Chicago, IL, USA (2023, April).
35. *How to Evaluate Journal Implementation of Open Science Standards: The TRUST Process*. Oral presentation at the American Educational Research Association Annual Meeting, Chicago, IL, USA (2023, April).
34. *Scaling and Open Science: Implications for the Home Visiting Field*. Panel presentation at the virtual National Home Visiting Summit (2022, March).
33. *Open Science at the Journal for Research on Educational Effectiveness*. Oral presentation at

the virtual 2022 Unconference on Open Scholarship Practices in Education Research (2022, February).

32. *Federal evidence clearinghouse standards on the transparency, openness, and reproducibility of intervention evaluations*. Oral presentation at the 9th Annual Meeting of the Berkeley Initiative for Transparency in the Social Sciences (2021, January).
31. *Effects and Implementation of State-Level Naloxone Pharmacy Access Laws: An Online Delphi Process*. Poster presentation for the Addiction Health Services Research 2020 Virtual Conference (2020, October).
30. *Cochrane US-PCG Review Prioritization*. Poster presentation at the 2020 Annual Clinical and Scientific Meeting of the American College of Obstetricians and Gynecologists, Seattle, WA, USA (2020, April).
29. *Open science and institutional review boards: Aligning research transparency with regulatory protections for human research subjects*. Oral Presentation at the 2019 Annual Meeting of the Berkeley Initiative for Transparency in the Social Sciences, Berkeley, CA, USA (2019, December).
28. *Key considerations for planning adolescent substance use treatment: An online Delphi process*. Oral presentation at the 2019 American Public Health Association Annual Meeting and Expo, Philadelphia, PA, USA. (2019, November).
27. *Treatment interventions for adults with co-morbid alcohol use and depressive disorders: A systematic review and network meta-analysis*. Poster presentation at the 2019 American Public Health Association Annual Meeting and Expo, Philadelphia, PA, USA (2019, November).
26. *Building transparency & reproducibility into federal evaluation*. Roundtable discussion at the 41st Association for Public Policy Analysis and Management Annual Fall Research Conference, Denver, CO, USA (2019, November).
25. *Clinical interventions for adults with co-morbid alcohol use and depressive disorders: A systematic review and network meta-analysis*. Oral presentation at the 2019 Addiction Health Services Research Conference, Park City, UT, USA (2019, October).
24. *The regulatory intersection of open science and the protection of human subjects*. Poster presentation at the 2019 AcademyHealth Annual Research Meeting in Washington, DC, USA (2019, June).
23. *The regulatory intersection of open science and the protection of human subjects*. Poster presentation at Public Responsibility in Medicine and Research's 2018 Advancing Ethical

- Research Conference, San Diego, CA, USA (2018, November).
22. *Open science for policy research: Toward transparent, reproducible workflows*. Oral presentation at the 2018 Association for Public Policy Analysis and Management Fall Research Conference, Washington, DC, USA (2018, November).
 21. *Why we need open policy analysis*. Oral presentation at the 2018 Association for Public Policy Analysis and Management Fall Research Conference, Washington, DC, USA (2018, November).
 20. *A stakeholder-informed conceptual framework for adolescent substance use treatment planning*. Poster presentation at the 2018 Addiction Health Services Research Conference, Savannah, GA, USA (2018, October).
 19. *Engaging Duchenne families to improve clinical guideline development*. Poster presentation at the 2018 Parent Project Muscular Dystrophy Annual Conference, Scottsdale, AZ, USA (2018, June).
 18. *Open science for education science: Toward transparent, reproducible workflows for intervention research*. Oral presentation on the panel “Towards a Reproducibility Framework” at the 2018 Society for Research on Educational Effectiveness Conference, Washington, DC, USA (2018, March).
 17. *Clinical decision tools for adolescents: an update*. Oral symposium at the 2017 Addiction Health Services Research Conference, Madison, WI, USA (2017, October).
 16. *Comparative analysis of stakeholder experiences with an online approach to prioritizing patient- centered research topics*. Poster presentation at the 2017 Academy Health Annual Research Meeting, New Orleans, USA (2017, June).
 15. *Comparison of brief alcohol interventions for college students: A network meta-analysis*. Oral presentation at the 2016 American Public Health Association Annual Meeting and Expo, Denver, CO, USA (2016, November).
