PROFESSIONAL BACKGROUND

Education

1995 University of Oregon, Ph.D. – Developmental Psychology
Advisor: Beverly Fagot, Ph.D.

1991 University of Oregon, M.S. – Psychology
Advisor: Beverly Fagot, Ph.D.

1990 University of California, Santa Cruz, B.A. – Psychology
Advisor: Campbell Leaper, Ph.D.

Current Positions

Professor of Counseling Psychology and Human Services, University of Oregon (2013–present)

Lorry Lokey Chair in Education (September 2021–present)

Department Head, Counseling Psychology and Human Services (June 2022–present)

Core Faculty, Ballmer Institute for Children’s Behavioral Health, University of Oregon (March 2022–present)

Associate Member, Knight Campus for Accelerating Scientific Impact, University of Oregon (2019–present)

Visiting Scholar, University of Cambridge, Faculty of Education, Andrew and Virginia Rudd Research and Professional Development Programme (May 2021–present)

Senior Fellow, Oregon Social Learning Center (2014–present)

Affiliate Scientist, Pitt Parents and Children Laboratory, University of Pittsburgh, Department of Psychology (2004–present)

Past Positions

2022	Interim Director, Prevention Science Institute, University of Oregon
2013–2022	Associate Director, Prevention Science Institute, University of Oregon
2017–2022	Associate Vice President for Research, University of Oregon
2017–2021	Alumni Faculty Professorship, College of Education, University of Oregon
2020–2021	Program Director, Prevention Science graduate programs, College of Education, University of Oregon
2019–2020	Past President, Society for Prevention Research
2014–2020	Visiting Professor, School of Psychology, University of Sussex, England, UK
2017–2019	President, Society for Prevention Research
2017–2019	Associate Program Director, Prevention Science graduate programs, College of Education, University of Oregon
2016–2017	Associate Dean for Research and Faculty Development, College of Education, University of Oregon
2016–2017	President Elect, Society for Prevention Research
2016–2017	Program Director, Prevention Science PhD program, College of Education, University of Oregon
2010–2013	Science Director, Oregon Social Learning Center, Eugene, OR
2010–2011	Honorary Senior Research Fellow, Centre for Research on Children and Families, University of Otago, New Zealand
2008–2013	Senior Scientist, Oregon Social Learning Center, Eugene, OR
2008–2010	Associate Director, Oregon Social Learning Center, Eugene, OR
2004–2006	Associate Director, Oregon Social Learning Center, Eugene, OR
2003–2013	Senior Scientist, Center for Research to Practice, Eugene, OR
2003–2013	Courtesy Research Associate, University of Oregon, Department of Psychology
1998–2008	Research Scientist, Oregon Social Learning Center, Eugene, OR
1995–1998	Research Associate, Oregon Social Learning Center, Eugene, OR
1995–1996	Parent Trainer, Oregon Social Learning Center, Eugene, OR

Sabbatical Leave

Jan-June 2020 (Remained local; COVID-19 pandemic)
 Fall 2009 Center for Research on Children and Families at the University of Otago, New Zealand

Awards and Honors

2022 Fellow, Society for Prevention Research
 2021 Outstanding Career Award, University of Oregon
 2021 Innovation and Impact Award (to the C19MAP team), University of Oregon
 2020 COVID-19 Research Innovation Award, University of Oregon
 2017 Fund for Faculty Excellence Award, University of Oregon
 2011 Prevention Science Award, Society for Prevention Research
 1995 Society for Research in Child Development Travel Award
 1993–1995 National Research Service Award, *“Prediction of Friendships from Parent-child Relations”* (MH010407)

Areas of Scholarship

Prevention Science
 Families in the Child Welfare System
 Juvenile Justice
 Substance Use
 Females/Gender Differences
 Adoptive Families
 Gene–Environment Interplay
 Child and Adolescent Development
 Longitudinal Research Studies

SCHOLARSHIP

External Funding

I have written and co-written over 50 competitively funded proposals, resulting in more than \$100 million of external funding received from federal grant competitions. More than \$50 million of this external funding has been awarded since my appointment at the UO (7/2013).

Funded Grants

58. 9/1/2023–05/31/2025. The Early Growth and Development Study Cohort of the ECHO Program (2UG3OD023389-08; Principal Investigator: Leve, MPIs: Neiderhiser, Ganiban). For \$1,940,392 from the Office of the Director, National Institute of Health.

57. 2/1/2023–07/31/23. Oregon 2020 Epidemiology and laboratory capacity for prevention and control of emerging infectious diseases (ELC) (Contract #178931; Principal Investigator: Leve; Co-PI: Cioffi). For \$81,057 from the CDC via the Oregon Health Authority.
56. 12/1/2022–11/30/2024. Supported employment to create a community culture of SARS-CoV-2 rapid testing among people who inject drugs: PeerConnect2Test (U01DA057849; Principal Investigator: Leve (until May 2023, then Co-Investigator) and Cioffi (May 2023-present). For \$2,029,962 from the National Institute on Drug Abuse.
55. 11/1/2022–10/31/2024. Enhancing SARS-CoV-2 Rapid Testing Acceptance in Latinx Communities (1U01MD018311; Principal Investigator: DeGarmo, Co-I: Leve, Ramírez). For \$1,024,652 from the National Institute on Minority Health and Health Disparities.
54. 10/25/2021–12/31/2022. SARS-CoV-2 Testing Services serving Latinx Community Members in Oregon (Contract 2424T0; Principal Investigator: Leve, Co-PIs: Cioffi, Cresko, Tavalire). For \$30,000/month – variable depending on number of persons tested, from Oregon Health Authority.
53. 09/24/2021–08/31/2026. Project Nurture Expansion Study (1R01HD105348-01A1; Principal Investigator: Cohen (OHSU); Principal Investigator on UO subcontract: Cioffi; Subcontract Co-I: Leve). UO subaward for \$306,288 from the National Institute of Child Health and Human Development.
52. 09/15/2021–08/31/2023. Supplement: Prevention Research Center: Parenting Among Women Who Are Opioid Users, Optimizing SARS-CoV-2 Testing and Promotores Interventions to Serve Latinx Communities (3P50DA048756-03S3). Principal Investigators: Leve, Cresko, DeGarmo). For \$1,786,797 (total costs) from the Office of the Director, National Institutes of Health.
51. 06/01/2021–05/31/2022. Supplement: NIDA Summer Research Internship Program, Prevention Research Center: Parenting Among Women Who Are Opioid Users. (3P50DA048756-03S1). Principal Investigators: Leve, Fisher, Mackewietz-Seghete; Student: Miranda Ivey. For \$5,800 (total costs) from the National Institute on Drug Abuse.
50. 01/01/2021–12/31/2022. Exploring Pathways to Desistance and Adjustment in Adulthood among Juvenile Justice-Involved Females (2020-JX-FX-0003; Principal Investigators: Leve, Schweer-Collins). For \$817,514 (total costs) from the Office of Justice Programs at the Department of Justice.
49. 12/01/2020–11/30/2022. Supplement: Prevention of Substance Use in At-risk Students: A Family-centered Web Program, Creating a Sustainable Infrastructure for SARS-COV-2 Testing at Syringe Exchange Programs (R01DA037628-05S1; Principal Investigator: Stormshak; Co-Investigator: Leve). For \$1,496,097 (total costs) from the Office of the Director, National Institutes of Health.
48. 10/16/2020–09/30/2021. SARS-CoV-2 State Testing Infrastructure Contract (PI: Cassandra Moseley; Co-PIs: Leve, Cresko). For \$4,364,823 (total costs) from the Oregon Health Authority.
47. 09/30/2020–08/31/2022. Supplement: Prevention Research Center: Parenting Among Women Who Are Opioid Users, Scaling up SARS-CoV-2 Testing to Serve Latinx Communities (3P50DA048756-02S2; Principal Investigators: Leve, Cresko, DeGarmo). For \$4,944,425 (total costs) from the Office of the Director, National Institutes of Health.

46. 09/01/2020–08/31/2022. Administrative Supplement: The Early Growth and Development Study Pediatric Cohort, Amplification of Racial and Social Inequalities in Response to the COVID-19 Pandemic: Impacts of Child Positive Health Outcomes (3UH3OD023389-05S2; Principal Investigators: Leve, Ganiban). For \$310,064 (total costs) from the Office of the Director, National Institutes of Health.
45. 09/01/2020–08/31/2021. Diversity Supplement: The Early Growth and Development Study Pediatric Cohort (3UH3OD023389-05S1; Principal Investigator on predoctoral student supplement: Leve; Student: Williams). For \$71,705 (total supplement costs) from the Office of the Director, National Institutes of Health.
44. 07/07/2020–04/30/2023. Intervening in the Lives of Foster Care Youth: Using Integrative Data Analysis to Examine Crossover and Long-Term Mental Health Benefits of Dual-Focused Caregiver–Youth Preventative Interventions (MH124437; Principal Investigator: Tiberio and Pears (OSLC); Principal Investigator on UO subcontract: Leve). For \$21,426 (UO subcontract award) from the National Institute of Mental Health.
43. 06/01/2020–05/31/2022. Diversity Supplement: Prevention Research Center: Parenting Among Women Who Are Opioid Users (P50 DA048756-02S1; Principal Investigators on predoctoral student supplement: Fisher, Leve; Student: Barratt). For \$ 79,621 (total supplement costs) from the National Institute on Drug Abuse.
42. 02/01/2020–01/31/2022. Supplement: An Adoption Study of the Development of Early Substance Use: The Joint Roles of Genetic Influences, Prenatal Risk, Rearing Environment, and Pubertal Maturation (3R01DA045108-03S1; Principal Investigator: Neiderhiser; Principal Investigator on UO subcontract: Leve). For \$303,491 (UO subcontract award) from the National Institute on Drug Abuse.
41. 08/15/2019–05/31/2024. Prevention Research Center: Parenting Among Women Who Are Opioid Users (P50 DA048756; Principal Investigators: Leve, Fisher). For \$10,069,676 (total costs) from the National Institute on Drug Abuse.
40. 08/15/2019–05/31/2020. Supplement to Prevention Research Center: Parenting Among Women Who Are Opioid Users, Project 2 (P50 DA048756-01S1; Principal Investigators: Stormshak, Leve). For \$899,663 (total costs) from the National Institute on Drug Abuse.
39. 09/01/2018–08/31/2023. The Early Growth and Development Study Pediatric Cohort (UH3 OD023389; Principal Investigators: Leve, Neiderhiser, Ganiban). For \$12,457,290 (total costs) from the Office of the Director, National Institutes of Health.
38. 04/01/2018–01/31/2023. An Adoption Study of the Development of Early Substance Use: The Joint Roles of Genetic Influences, Prenatal Risk, Rearing Environment, and Pubertal Maturation (R01 DA045108; Principal Investigator: Neiderhiser; Principal Investigator on UO subcontract: Leve). For \$1,345,360 (UO subcontract award) from the National Institute on Drug Abuse.
37. 09/11/2017–09/30/2020. Paths 2 the Future: Testing the Efficacy of a Career Development Intervention for High School Girls with Disabilities (R324A170148; Principal Investigator: Lindstrom; Co-Principal Investigator and PI on UO subcontract: Leve). For \$1,761,243 (UO subcontract award) from the U.S. Department of Education Institute of Education Sciences.

36. 06/19/2017–08/11/2017. 2017 Summer Research with NIDA: Translational Drug Abuse Prevention Center (R01 DA035763-05S1; Principal Investigator: Leve; undergraduate students: McCall, McEwen, Rhodes). For \$25,401 (total supplement costs) from the National Institute on Drug Abuse.
35. 09/21/2016–08/31/2018. The Early Growth and Development Study Pediatric Cohort (1UG3 OD023389; Principal Investigators: Leve, Neiderhiser, Ganiban). For \$3,321,291 (total costs) from the Office of the Director, National Institutes of Health.
34. 06/01/2015–05/31/2016. 2015 Summer Research with NIDA: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01 DA035062-03S1; Principal Investigator: Leve; undergraduate student: Handforth). For \$7,927 (total supplement costs) from the National Institute on Drug Abuse.
33. 07/1/2015–06/30/2017. Paths 2 the Future: Testing the Efficacy of a Career Development Intervention for High School Girls with Disabilities (R324A150046; Principal Investigator: Lindstrom; Co-Investigator: Leve). For \$1,180,443.77 (total costs) from the U.S. Department of Education Institute of Education Sciences.
32. 01/01/2015–12/31/2016. A Girls-Specific Prevention Program for Substance Use and Delinquency. (R21 DA037455; Principal Investigator: Walker; Principal Investigator on UO subcontract: Leve). For \$22,928 (UO subcontract award) from the National Institute on Drug Abuse.
31. 01/01/2015–12/31/2016. Utilizing Adoption-Based Research Designs to Examine the Interplay Between Family Relationship Processes and Child Developmental Outcomes (ES/L014718/1; Principal Investigator: Harold; Principal Investigator on UO Subcontract: Leve). For \$14,406 (total UO subcontract costs) from the Economic and Social Research Council, United Kingdom.
30. 09/01/2014–08/31/2017. Family and Peer Processes and G-E Interplay in Middle School: An Adoption Study (R56 HD042608; Principal Investigator). For \$700,000 (total costs) from the National Institute of Child Health and Human Development.
28. 06/01/2014–05/31/2017. Diversity Supplement: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01DA025857; Principal Investigator on predoctoral student supplement: Leve; Student: Perez). For \$122,840 (total supplement costs) from the National Institute on Drug Abuse.
28. 06/16/2014–08/22/2014. 2014 Summer Research with NIDA: Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01DA035062-02S1; Principal Investigator: Leve; undergraduate student: Admasu). For \$4,536 (total supplement costs) from the National Institute on Drug Abuse.
26. 05/01/2014–06/30/2015, Early Family Prevention of Adolescent Alcohol, Drug Use, and Psychopathology (R01DA036832-01A1; Principal Investigators: Shaw and Dishion; Principal Investigator on UO subcontract: Leve). For \$489,478 (total subcontract costs) from the National Institute on Drug Abuse.
26. 07/01/2013–03/31/2019, Translational Drug Abuse Prevention Center (P50 DA035763; Principal Investigators: Chamberlain and Fisher; Co-Investigator: Leve; Leve also serves as PI on Project 2). For \$10,654,288 (total costs) from the National Institute on Drug Abuse.

25. 12/01/2013–11/30/2018, Preventing HIV/STI Risk Behavior in Girls with Delinquency, Drug Abuse & Trauma (R01 DA025857; Principal Investigator: Smith; Consultant: Leve). For \$459,931 (total costs in Year 01) from the National Institute on Drug Abuse.
24. 09/30/2013–05/31/2018, Siblings Reared Apart: A Naturalistic Cross-Fostering Study of Young Children (R01 DA035062; Principal Investigator: Leve). For \$2,591,071 (total costs) from the National Institute on Drug Abuse.
23. 03/05/2012–2/28/2017, Teens' Risk during Transition: Preventing Drug Use, HIV, & School Problems (R01 DA032634; Principal Investigator: Chamberlain; Co-Investigator: Leve). For \$3,522,467 (total costs) from the National Institute on Drug Abuse.
22. 09/01/2011–05/31/2017, Gene-Environment Interplay and Childhood Obesity: An Adoption Study (R01 DK090264; Principal Investigator: Ganiban; Principal Investigator on UO subcontract: Leve). For \$538,219 (total costs on UO subcontract) from the National Institute of Diabetes and Digestive and Kidney Disease.
21. 09/28/2010–06/30/2016, Gene-Environment Interplay and the Development of Psychiatric Symptoms in Children (R01 MH092118; Multiple Principal Investigators: Leve and Neiderhiser). Grant award of \$1,809,533 (direct cost on UO subcontract) from the National Institute of Mental Health.
20. 09/15/2008–06/30/2014, Center for Drug Abuse Prevention in the Child Welfare System (P30 DA023920; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$6,464,622.00 (direct costs) from the National Institute on Drug Abuse.
19. 09/01/2007–07/31/2014, The Early Growth and Development Study: Family Process, Genes, and School Entry (R01 HD042608; Principal Investigator: Leve). Grant award of \$5,843,521 (direct costs) from the National Institute on Child Health and Human Development, co-funded by the National Institute on Drug Abuse and OBSSR (the Office of the Director).
18. 07/01/2010–06/30/2013, Long-term Treatment Effects on Juvenile Justice Girls' Depression and Suicide Risk (R03 MH091611; Principal Investigator: Kerr; Co-Investigator: Leve). \$148,000 (total costs) from the National Institute of Mental Health.
17. 04/01/2010–03/31/2013, Decision Making in Foster Care Girls (R21 DA027091; Multiple Principal Investigators: Leve and Weller). Grant award of \$226,000 (direct costs on subcontract) from the National Institute on Drug Abuse.
16. 02/15/2009–12/31/2013, Juvenile Justice Girls: Pathways to Adjustment and System Use in Young Adulthood (R01 DA024672; Principal Investigator: Leve). Grant award of \$2,328,299 (direct costs) from the National Institute on Drug Abuse.
15. 09/15/2007–05/31/2013, Genes, Prenatal Drug Exposure and Postnatal Environment: An Adoption Study (R01 DA020585; Principal Investigator: Neiderhiser; Principal Investigator on subcontract: Leve). Grant award of \$1,363,738 (direct costs on subcontract) from the National Institute on Drug Abuse, co-funded by the National Institute of Mental Health and OBSSR (the Office of the Director).
14. 09/15/2006–07/31/2013, Community Development Teams to Scale-Up MTFC in California (R01 MH076158; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$4,865,840 (direct costs) from the National Institute of Mental Health.

13. 08/01/2009–07/31/2012, Preventing Drug Abuse and HIV/AIDS in Delinquent Youths: An Integrated Intervention (R01 DA025857; Principal Investigator: Smith; Co-Investigator: Leve). Grant award of \$435,720 (Y1 direct costs) from the National Institute on Drug Abuse.
12. 07/01/2006–06/30/2012, Preventing Behavior and Health Problems in Foster Teens (R01 DA020172; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$2,582,559 (direct costs) from the National Institute on Drug Abuse.
11. 06/06/2005–05/31/2011, Dimensions of Early Stress and Child Welfare Involvement (R01 HD045894; Principal Investigator: Fisher; Co-Investigator: Leve). Grant award of \$1,924,935 (direct costs) from the National Institute on Child Health and Human Development.
10. 06/15/2005–03/31/2011, EIFC: Outcomes through Middle Childhood (R01 MH059780; Principal Investigator: Fisher, Co-Investigator: Leve). Grant award of \$1,941,613 (direct costs) from the National Institute of Mental Health.
9. 12/01/2003–11/30/2009, Preventing Problems for Girls in Foster Care (R01 MH054257; Principal Investigator: Leve). Grant award of \$1,979,657 (direct costs) from the National Institute of Mental Health.
8. 08/01/2003–09/30/2009, Pathways Home: Reducing Risk in the Child Welfare System (P20 DA017592; Principal Investigator: Reid; Co-Investigator: Leve – PI of the Theory Core). Grant award of \$4,656,772 (direct costs) from the National Institute on Drug Abuse.
7. 05/01/2003–04/30/2009, Effects of Incarceration on Children (R01 MH065553; Principal Investigator: Eddy; Co-Investigator: Leve). Grant award of \$2,197,184 (direct costs) from the National Institute of Mental Health.
6. 06/01/2002–05/31/2008, Preventing Health-Risking Behaviors in Delinquent Girls (R01 DA015208; Principal Investigator: Chamberlain; Co-Investigator: Leve). Grant award of \$2,319,419 (direct costs) from the National Institute on Drug Abuse.
5. 09/01/2002–08/31/2007, The Early Growth and Development Study (R01 HD042608; Principal Investigator: Reiss; Principal Investigator for OSLC subcontract: Leve). Grant award of \$6,715,049 (direct costs) from the National Institute on Child Health and Human Development.
4. 06/01/1999–05/31/2005, Oregon Prevention Research Center (P50 MH046690; Principal Investigator: Reid; Co-Investigator: Leve). Grant award of \$3,980,973 (direct costs) from the National Institute of Mental Health.
3. 03/01/1998–05/31/2002, Origin of Mental Health Problems in the Family (R01 MH037911; Principal Investigator: Leve). Grant award of \$991,913 (direct costs) from the National Institute of Mental Health.
2. 03/01/1998–05/31/2001, Process of Fathering: Effects on his Child's Competence (R01 HD019739; Principal Investigator: Fisher; Co-Investigator: Leve). Grant award of \$246,573 (direct costs) from the National Institute on Child Health and Human Development.
1. 06/01/1997–05/31/1998, High Risk Peer Behavior: A Pre-Intervention Study (R03 MH057053; Principal Investigator: Leve). Grant award of \$25,000 (direct costs).

Publications

I have authored or coauthored more than 200 peer-reviewed publications. *Asterisks denote a graduate student or postdoctoral scholar at the time of the work. Google Scholar Metrics: 13,257 citations; H-index = 62; i10-index = 166.

(2012). *Risks, outcomes, and evidence-based interventions for girls in the U.S. juvenile justice system: Recommendations for next steps in research, intervention, and implementation*. Commissioned report submitted to the John D. and Catherine T. MacArthur Foundation.

3. *Martin, D. M., Leve, L. D., Natsuaki, M. N., Neiderhiser, J. M., & Ge, X. (2010). *Toward a greater understanding of openness: A report from the Early Growth and Development Study*. Report submitted to "Adoption Advocate," a publication of the National Council for Adoption.
2. Leve, L. D., Substance Abuse and Mental Health Services Administration (2007). *Promotion and prevention in children's mental health: Strengthening parenting and enhancing child resilience*. Report submitted to the State Appropriation Subcommittee on Labor, Health and Human Services Education and the House Appropriation Subcommittee on Labor, Health and Human Services Education.
1. Leve, L. D., & *Suski, A. (2003). *Open Adoption and Family Services: Survey Results*. This is a 73-page report on the data analysis and summary of results from a survey conducted by an adoption agency with birth and adoptive parents. The report was bound and distributed widely to agency employees, and report summaries were created to share with all clients, funders, and the media. In addition, the report summary was included on their web site.

Invited Presentations

46. De Anda, S., Leve, L.D., & Aguirre, M.P. (2023, October 12). *Oregon Saludable: Juntos Podemos: Summary of intervention findings and significance of community-participatory research*. Invited speaker at the National Institutes of Health RADx-UP Governance Committee.
46. Leve, L. (2021, July 8). *Intervention outcomes for women with prior correctional system involvement: Early adversity and biological indicators of health*. Invited speaker at the Program for Translational Research on Adversity and Neurodevelopment (P-TRAN): Summer Symposium Series.
45. Poirier, J., Leve, L., Goldstein, N., & Mareld, A. (2019, October). *On the right track to realizing opportunities for all youth: Creating developmentally informed juvenile justice systems*. Invited speaker at the Annual Meeting Juvenile Detention Alternatives Initiative Inter-Site Conference.
44. Iruka, I. U., Luthar, S. S., Hill, N. E., Leve, L. D., & Bogard, K. (2019, August). *The National Academy of Science report on maximizing the well-being of children and families in early childhood*. Invited discussion given at the Annual Meeting of the American Psychological Association, Chicago, IL.
43. Leve, L. D., Gillman, M. W., & Taylor, G. (2019, May). *Moving from large-scale research to public health impact: A conversation*. Presidential Address and Presidential Roundtable given at the Annual Meeting of the Society for Prevention Research, San Francisco, CA.
42. Leve, L. D. (2017, May). *An alternative Approach to personalizing interventions: Findings from an adoption study*. Invited speaker at the Institute for Translational Research, University of Minnesota, Minneapolis, MN.
41. Leve, L. D. (2016, June). *Youth in foster care: Research, practice, and policy on the transition out of care*. Plenary speaker at the Prevention Needs for Vulnerable Populations of Youth session at the Society for Prevention Research Annual Meeting, San Francisco, CA.
40. Leve, L. D. (2016, April). *Juvenile justice girls: Risk pathways and outcomes from a randomized trial in Oregon*. Invited presentation at the Center for Child and Youth Policy, University of California, Berkeley, Berkeley, CA.
39. Leve, L. D. (2015, May). *Risk factors, outcomes, and effective interventions for girls in the juvenile justice system*. Distinguished Speaker at the Western Psychological Association 95th annual convention, Las Vegas, NV.

38. Leve, L. D. (2014, September). *Bridging “E” in intervention studies with “E” in behavioral genetic research*. Invited presentation at the Brain Research Foundation Symposium II, Chicago, IL.
37. Leve, L. D. (2014, May). *High-risk girls in high-risk settings: What have we learned? What’s next?* Invited participant in discussion hour at the Society for Prevention Research 22nd Annual Meeting, Washington, DC.
36. Leve, L. D. (2013, October). *Adoption and foster care: Integrating developmental, practice, and policy objectives*. Invited presentation at the University of Sussex, Department of Psychology.
35. Leve, L. D. (2013, March). *The “E” in G–E interplay: What can we learn from adoption designs?* Invited presentation at the NICHD workshop on Nature & Nurture: Genetic and Environmental Influences on Children’s Responses to Adversity, Bethesda, MD.
34. Leve, L. D., & Neiderhiser, J. M. (2013, January). *Early Growth & Development Adoption Study (EGDS): Unique insights into developmental theory and practice*. Invited presentation at the National Institute of Child Health and Human Development. Bethesda, MD.
33. Leve, L. D. (2012, September). *Evidence-based interventions for foster children: What is the evidence for their efficacy in communities of color?* Invited presentation at John D. and Katherine T. MacArthur Foundation Evidence-Based Practices & Communities of Color Consultative Meeting, Chicago, IL.
32. Leve, L. D., Fisher, P. A., & Chamberlain, P. C. (2012, August). *Parent management training interventions for foster children: Can they be effective for adopted youth?* Invited presentation at the Substance Abuse and Mental Health Services Administration Domestic and International Adoption: Strategies to improve behavioral health outcomes for youth and their families conference, Rockville, MD.
31. Leve, L. D. (2011, September). *Predictors and outcome of depressive symptom trajectories in adolescent girls: Evidence from foster care, juvenile justice, and community samples*. Invited presentation at the Netherlands Institute of Mental Health and Addiction’s Shaping the Research Agenda for Depression Prevention Conference, Utrecht, Netherlands.
30. Leve, L. D. (2011, July). *A parent- and youth-support intervention for adolescents in foster care*. Invited presentation at Portland State University’s Summer Symposium on Mentoring Research, Portland, OR.
29. Leve, L. D. (2011, April). Genes: What do we know and how can that help us help children? In J. Bruce (Chair), *Biology and families: Nothing carved in stone*. Invited presentation at the Oregon Social Learning Center’s Biennial Spring Conference, Eugene, OR.
28. Leve, L. D. (2011, April). *The role of birth and adoptive parents on their child’s development: Evidence from a nationwide adoption study*. Invited presentation at the Northwest Adoptive Families Association, Inc. Conference on Adoption, Portland, OR.
27. Leve, L. D. (2011, March). *Depression in adolescent girls: Outcomes and interventions in the US and UK*. Invited presentation at the 35th High School, Beijing.

26. Leve, L. D. (2011, March). *Gene–environment interplay in the development of behavior problems during infancy and toddlerhood: Evidence from a prospective adoption study*. Invited presentation at the Institute of Psychology, Chinese Academy of Sciences, Beijing, China.
25. Leve, L. D. (2011, February). *Integrating behavioral genetic and prevention science research to improve understanding of the development and treatment of depressive symptoms in childhood and adolescence*. Invited presentation at the University of Leicester, Invited Speaker Psychology Series, Leicester, UK.
16. Leve, L. D. (2010, June). *Environmental and genetic mechanisms of risk on executive function during early childhood*. Invited presentation at the NICHD Workshop on Executive Functions in Preschool Children: Current Knowledge and Research Opportunities, Bethesda, MD.
23. Neiderhiser, J. M., & Leve, L. D. (2010, March). *Traveling with Xiaojia Ge: Adventures and misadventures in understanding gene–environment interplay*. Invited presentation at the Society for Research on Adolescence Biennial Meeting, Philadelphia, PA.
21. Leve, L. D. (2010, March). *Supporting families and children in the context of inter-parental conflict*. Invited presentation at the Center for Research on Children & Families, Dunedin, NZ.
21. *Guerrero, D., *Rhoades, K., & Leve, L. D. (2009, November). *Openness in adoption, adjustment and support: Findings from the Early Growth and Development Study*. Invited presentation at the 8th annual conference on Adoption, Eugene, OR.
20. Leve, L. D., Harold, G. T., Ge, X., Neiderhiser, J. M., Patterson, G. (2009, June). *Refining intervention targets in family-based research: Lessons from quantitative behavioral genetics*. Invited presentation at the National Institute on Aging Genetic Approaches to Personalized Behavioral Interventions Conference, Bethesda, MD.
19. Leve, L. D., Neiderhiser, J. M., Dick, D. M., Riley, B., & Latendresse, S. (2009, May). *How to add genetics to your studies*. Invited preconference workshop sponsored by the Society for Prevention Research as part of the SPR 17th Annual Meeting.
18. Leve, L. D., & Ganiban, J. M. (2009, February). *Adjustment, openness in adoption, and family services: Findings from The Early Growth and Development Study*. Invited presentation at the 2nd Annual Adoption Caseworker Forum, Tampa, FL.
17. Chamberlain, P., Leve, L. D., & Saldana, L. (2008, October). *Family versus group-based treatment for girls with chronic delinquency; characteristics, processes, & outcomes*. Invited presentation at the Annual Meeting of the American Academy of Child and Adolescent Psychiatry, Chicago, IL.
16. Insel, T., Volkow, N., Leve, L. D., & Anguilar-Gaxiola, S. (2008, June). *Breakthroughs in genetics and neuroscience and what they mean for prevention*. Invited roundtable discussion at the Mental Health America, Inaugural Promotion and Prevention Summit, Washington, DC.
15. Leve, L. D. (2008, May). The role of the environment and development in gene by environment interactions. In R. Catalano & K. Etz (Chairs), *Translating research on genotype–environment interplay to inform prevention science: Measurement of the environment*. Invited plenary session at the Society for Prevention Research, San Francisco, CA.
14. Leve, L. D. (2008, April). *Genetics, families, and social development: The important contributions of adoptive families*. Invited half-day workshop at Spence-Chapin adoption agency, New York, NY.

13. Leve, L. D. (2008, March). *Girls in the juvenile justice system: Developmental histories, Multidimensional Treatment Foster Care intervention, and outcomes*. Invited presentation at the Advances in Developmental Psychopathology in Girls Seminar Series, Pittsburgh, PA.
12. Leve, L. D., *Kerr, D. C. R., & Chamberlain, P. (2008, March). Treatment and outcomes for chronically delinquent adolescent girls with co-occurring drug use problems. In L. Saldana (Chair), *Complex solutions for complex problems: Integrating treatments to prevent severe substance abuse in high-risk populations*. Invited presentation at the Joint Meeting on Adolescent Treatment Effectiveness, Washington, DC.
11. Leve, L. D. (2007, May). *Underlying mechanisms in liability for dysregulatory behaviors*. Invited preconference workshop sponsored by the Society for Prevention Research as part of the SPR Biology Task Force.
10. Leve, L. D. (2006, August). *Preventive interventions with foster care youth*. Invited presentation at the Prevention and Early Intervention In-Service Training, Mental Health Services Oversight and Accountability Commission, Burlingame, CA.
9. Leve, L. D. (2006, June). *The utility of Gene \times Environment paradigm for research in pediatric populations: Comments from a preventive and treatment intervention perspective*. Invited presentation at the NIMH-sponsored workshop, Gene \times Environment Interactions and Developmental Psychopathology: Research Challenges and Opportunities, Washington, DC.
8. Leve, L. D. (2005, October). *Using developmental models to inform services*. Invited presentation at the NIDA-sponsored workshop, Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.
7. Leve, L. D., & Chamberlain, P. (2004, November). *Multidimensional Treatment Foster Care*. Invited presentation at the Consensus Workshop, Pharmacologic Studies of Impulsive Aggression in Children and Youth, a joint conference sponsored by the Center for the Advancement of Children's Mental Health at Columbia University and Best Practice Project Management, Inc., with the Participation of the American Academy of Child and Adolescent Psychiatry, Baltimore, MD.
6. Chamberlain, P., & Leve, L. D. (2004, July). *Drug abuse treatment of delinquent adolescent girls*. Invited presentation at the Annual Meeting of the American Psychological Association, Honolulu, HI.
5. Chamberlain, P., & Leve, L. D. (2004, June). *Internalizing behavior in girls with chronic delinquency: Risk characteristics and intervention outcomes*. Invited presentation at the NIMH-sponsored workshop, The Prevention of Depression in Children and Adolescents, Rockville, MD.
4. Leve, L. D. (2004, April). *Gender and socioemotional adjustment*. Invited chair of discussion hour at the annual Gender Development Research Conference, San Francisco, CA.
3. Leve, L. D. (2003, October). *Mechanisms of gene-environment interaction in toddler development: Psychosocial targets for preventing adverse genetic influences?* Invited presentation to the National Institute of Child Health and Human Development, Washington, DC.
2. Leve, L. D. (1997, August). *Unto the next generation: Behavior genetics*. Invited presentation at the 1st Annual Meeting of the Origins and Prevention of Aggression, Eugene, OR.

1. Leve, L. D., *Lemery, K., & Neiderhiser, J. M. (1996). *Behavior genetic approaches to studying child development*. Invited presentation at the Infancy Conference, Eugene, OR.

International Conference Presentations (from 2019 and on only; 47 additional presentation citations available upon request)

71. Putnam, S. P. and 488 Partners in the Global Temperament Project (2023, October). *Exploring the role of culture in the development of gender differences in temperament across infancy and childhood in 59 countries* [Paper presentation]. Occasional Temperament Conference, Orford, Québec, Canada.
70. Harold, G. T., Sellers, R., Brown, A., Browne, W. V., DeGarmo, D., Nixon, E., Leve, L. D. (2022, June 19-23). *Examining a cascade model of Inter-parental conflict effects on out- comes for children in two longitudinal general population sample* [Paper presentation]. International Society for the Study of Behavioural Development, Rhodes, Greece.
69. Natsuaki, M.N., Wang, J., Neiderhiser, J.M., Ganiban, J.M., Shaw, D.S., Reiss, D., Leve, L.D. (2022, June 19-23). *Similarities and differences between siblings reared apart: Examining how depression clusters within families* [Paper presentation]. International Society for the Study of Behavioural Development, Rhodes, Greece.
68. Oro, V., Tavalire, H.F., Natsuaki, M.N., Ganiban, J.M., Neiderhiser, J.M., Reiss, D., Shaw, D.S., Leve, L.D. (2022, June 19-23). *Does positive parenting disrupt intergenerational transmission of depression despite genetic risk* [Paper presentation]. International Society for the Study of Behavioural Development, Rhodes, Greece.
67. Leve, L.D. (2022, June 19-23). *Becoming a parent can interrupt continuity in depression: Results from a randomized trial of females in the justice system* [Paper presentation]. International Society for the Study of Behavioural Development, Rhodes, Greece.
66. Harold, G., Sellers, R., Nixon, E., Feinstein, L., Leve, L.D. (2022, June 19-23). *Family relationship influences on adolescent depression: Intergenerational transmission processes among UK and New Zealand population cohorts* [Paper presentation]. International Society for the Study of Behavioural Development, Rhodes, Greece.
65. Guyer, S. F., Rayhel, A.L., Whitesel, A. L., Ganiban, J. M., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., and Leve, L. D. (2021, July 6-9). *Exploring openness over time in domestic adoption placements within the United States* [Poster presentation]. International Conference on Adoption Research, Milan, Italy.
64. Kelly, E., Level, R., Neiderhiser, J., Ganiban, J., Leve, L., Natsuaki, M., Reiss, D., & Shaw, D. (2021, July 6-9). *Adoption openness and adolescent experiences during the COVID-19 pandemic: Preliminary findings from the Early Growth and Development Study (EGDS)* [Poster presentation]. International Conference on Adoption Research, Milan, Italy.
63. Leve, L. D. (2021, July 6-9). *What can the social and neurobiological context of adolescence tell us about openness in adoption?* [Paper presentation]. International Conference on Adoption Research, Milan, Italy.
62. Varghese, A., Perez, E., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., Reiss, D., & Leve, L. D. (2021, July 6-9). *The more you know: Investigating the impact of spirituality and knowledge about adoptive parents on birth parents' perinatal grief* [Poster presentation]. International Conference on Adoption Research, Milan, Italy.

61. Whitesel, A., Leve, L. D., Neiderhiser, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Ganiban, J. M. (2021, July 6-9). *Exploring birth family contact, information seeking and communicative openness with adoptive parents* [Paper presentation]. International Conference on Adoption Research, Milan, Italy.
60. Wyche, C., Seay, D., Whitesel, A., Ganiban, J. M., Leve, L. D., Reiss, D., Shaw, D. S., Natsuaki, M. N., & Neiderhiser, J. M. (2021, July 6-9). *Adoption communicative openness in the Early Growth and Development Study (EGDS): An examination of parent and adolescent report* [Poster presentation]. International Conference on Adoption Research, Milan, Italy.
59. Sellers, R., Harold, G. T., DeGarmo, D., Nixon, E., & Leve, L. D. (2020, October 22). *Examining a cascade model of Inter-parental conflict effects on outcomes for children in two longitudinal general population samples* [Paper presentation]. Growing up in Ireland annual conference, Dublin, Ireland (Online conference).
58. Leve, L. D. (2020, June). *Becoming a parent can interrupt continuity in depression: Results from a randomized trial of females in the justice system* [Paper presentation]. International Society for the Study of Behavioural Development, Rhode Island, Greece. (Conference cancelled).
57. Harold, G., Sellers, R., Nixon, E., Feinstein, L., & Leve, L. D. (2020, June). *Family relationship influences on adolescent depression: Intergenerational transmission processes among UK and New Zealand population cohorts* [Paper presentation]. International Society for the Study of Behavioural Development, Rhode Island, Greece. (Conference cancelled).
56. Natsuaki, M. N., Wang, J., Neiderhiser, J. N., Ganiban, J. M., Shaw, D. S., Reiss, D., & Leve, L. D. (2020, June). *Similarities and differences between siblings reared apart: Examining how depression clusters within families* [Paper presentation]. International Society for the Study of Behavioural Development. Rhode Island, Greece. (Conference cancelled).
55. Tavalier, H. F., Natsuaki, M. N., Ganiban, J. M., Neiderhiser, J. M., Reiss, D., Shaw, D. S., & Leve, L. D. (2020, June). *Does positive parenting disrupt intergenerational transmission of depression despite genetic risk?* [Paper presentation]. International Society for the Study of Behavioural Development. Rhode Island, Greece. (Conference cancelled).
54. *Horn, S. R., Leve, L. D., Levitt, P., & Fisher, P. A. (2019, August). Oxidative stress in the stress-health relationship: A pilot study in high-risk adolescents. In L Provenzi (Chair), *How early adversities get under the skin: A behavioral epigenetics perspective across human development* [Symposium]. International Society for Psychoneuroendocrinology, Milan, Italy.
53. *Borriello, G. A., *Ramos, A. M., Field, A., Leve, L. D., Ganiban, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2019, June). *Examining long-term effects of parenting behaviors on mathematics achievement in middle childhood* [Symposium]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.
52. *Griffin, A., M., Leve, L. D., Natsuaki, M. N., Shaw, D. S., Reiss, D., Ganiban, J. M., & Neiderhiser, J. M. (June 2019). *Longitudinal examination of parental hostility, inhibitory control, and externalizing behaviors: A siblings-reared-apart design* [Symposium]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.
51. *Liu, C., Neiderhiser, J. M., Ram, N., Leve, L. D., Shaw, D. S., Reiss, D. S., Natsuaki, M. N., & Ganiban, J. M. (June 2019). *Modeling child BMI Z-scores and instability associated with heritable and*

- rearing environmental influences and child characteristics* [Poster presentation]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.
50. *Robertson, O., Marceau, K., Natsuaki, M. N., Shaw, D. S., Reiss, D., Leve, L. D., Neiderhiser, J. M., & Ganiban, J. M. (June 2019). *Genetic, pre-pregnancy, and postnatal risk for early pubertal timing in an adoption design* [Poster presentation]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.
49. *Shewark, E. A., Neiderhiser, J. M., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., & Leve, L. D. (June 2019). *Children's emotionality in context: Family to school spillover* [Symposium]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.
48. *Tavalire, H., Cresko, W., & Leve, L. D. (2019, June). *Determining the contributions of stress and inflammation to child health: Harnessing the complementary strengths of fish models and human subjects research* [Symposium]. Behavior Genetics Association 49th Annual Meeting, Stockholm, Sweden.

National Presentations (from 2019 only; 152 additional presentation citations available upon request)

205. Jenkins, D. L., Leve, L., & DeGarmo, D. (2023, August). *Men's Traditional Masculinity and Romantic Relationship Adjustment: Individual Differences Matter*. [Poster presentation]. American Psychological Association. Washington, D.C.
204. Oro, V., Ramírez-García, J., Budd, E. L., De Anda, S., Mauricio, A. M., DeGarmo, D., & Leve, L. D. (2023, June). *Social determinants of psychological distress among non-Latinx White and Latinx individuals: Leveraging tests of between and within group differences to inform equitable implementation strategies*. [Poster presentation]. Society for Prevention Research 2023 Annual Meeting, Washington, D.C.
203. Berny, L., Bates, E., Turner, A., Schweer-Collins, M., Leve, L.D. (2023, May 30-June 2). *Peer and romantic partner influences on substance use: A longitudinal examination of social influences in a sample of systems-involved females* [Poster presentation]. Society for Prevention Research 2023 Annual Meeting, Washington, D.C.
202. Perez, E., Natsuaki, M.N., Neiderhiser, J.M., Shaw, D.S., Ganiban, J.M., Reiss, D., & Leve, L.D. (2023, May 25-28). *Ambiguous loss: How birth parents' bereavement after adoption relinquishment affects their future parenting* [Poster presentation]. Association of Psychological Science 2023 Annual Convention, Washington, D.C.
201. Liu, C., Moore, G., Ganiban, J., Chen, Z., Leve, L., Shaw, D., Reiss, D., Natsuaki, M., & Neiderhiser, J. (2023, March 23-25). *Presence of positive affect during challenging situation protects children from problem behaviors* [Poster presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
200. Williams, L., Oro, V., Chen, T., Blackwell, C., Liu, C., Miller, E., Neiderhiser, J., Ganiban, J., & Leve, L. (2023, March 23-25). *Influence of parental hostility and socioeconomic stress on internalizing symptom trajectories from early childhood to adolescence* [Poster presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
199. Ganiban, J., Liu, C., Blackwell, C., Lambert, S., Simmens, S., Leve, L., Neiderhiser, J., LeWinn, K., Margolis, A., Nozadi, S., Michael O'Shea, T., & Fry, R. (2023, March 23-25). *A tale of two pandemics: COVID-19 hardships are associated with race, income, and neighborhood resources* [Poster

- presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
198. Blackwell, C., Sherlock, P., Jackson, K., Hofheimer, J., Algermissen, M., Alshawabkeh, A., Avalos, L., Bastain, T., Blair, C., Bosquet Enlow, M., Brennan, P., Breton, C., Bush, N., Cella, D., Chandran, A., Collazo, S., Conrad, E.,... Leve, L.,... Margolis, A. (2023, March 23-25). *Development and psychometric validation of the pandemic-related traumatic stress scale* [Poster presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
197. Wang, J., Natsuaki, M., Neiderhiser, J., Ganiban, J., Shaw, D., Reiss, D., & Leve, L. (2023, March 23-25). *Parental infertility distress and child externalizing problems: Overreactive parenting as a mediator* [Poster presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
196. Lee, S., Robertson, O., Marceau, K., Knopik, V., Natsuaki, M., Shaw, D., Reiss, D., Leve, L.D., Ganiban, J., & Neiderhiser, J. (2023, March 23-25). *The transactional process involved in the development of child externalizing symptoms* [Poster presentation]. Society for Research in Child Development, 2023 Biennial Meeting, Salt Lake City, UT.
195. Mehrkesh, A., Natsuaki, M.N., Neiderhiser, J.M., Shaw, D.S., Ganiban, J.M., Reiss, D., & Leve, L.D. (2023, April). *Heterogeneity of internalizing problems in adolescents: Evaluating the trajectories of self-worth and fearfulness* [Poster presentation]. Society for Research on Adolescence, San Diego, CA.
194. Robertson, O.C., Marceau, K., Shirtcliff, E.A., Dorn, L.D., Natsuaki, M.N., Shaw, D.S., Reiss, D., Leve, L.D., Neiderhiser, J.M., & Ganiban, J.M. (2022, September). *Associations of relative pubertal timing and pubertal tempo with Body Mass Index in a sample of youth adopted at birth* [Paper presentation]. International Society for Psychoneuroendocrinology, Chicago, IL.
193. Marceau, K., Yu, L.H., Robertson, O., Shirtcliff, B., Dorn, L., Ganiban, J., & Leve, L.D., Neiderhiser, J. (2022, September). *Longitudinal associations of adolescent stress and cortisol, testosterone, and DHEA during the COVID-19 pandemic* [Paper presentation]. International Society for Psychoneuroendocrinology, Chicago, IL.
192. DeGarmo, D. S., De Anda, S., Cioffi, C. C., Tavalire, H. F., Searcy, J. A., Budd, E. L., McWhirter, E. H., Mauricio, A. M., Halvorson, S., Beck, E. A., Fernandes, L., Currey, M. C., Ramírez García, J., Cresko, W. C., & Leve, L. (2022, June). *Effectiveness of a COVID-19 testing outreach intervention for Latinx communities: A clustered randomized clinical trial*. [Paper presentation]. The Society for Prevention Research annual meeting, Seattle, WA.
191. Ramírez García, J.I., Cioffi, C. C., De Anda, S., Budd, E. L., Mauricio, A. M., McWhirter, E. H., Ramos, J., Seeley, J. R., Oro, V. and Community and Scientific Advisory Board, Oregon Saludable: Juntos Podemos, Leve, L. D. (December 2022). *Embedding community engagement in the implementation of a public health intervention trial to mitigate covid-19 disparities among Latinxs in 38 community sites in Oregon*. Poster presentation at the 15th Annual conference on the science of Dissemination and Implementation in Health, Washington DC.
190. Tiberio, S.S., Pears, K.C., Buchanan, R., Chamberlain, P., Leve, L.D., Price, J.M., Hussong, A. (2022, June). *Using integrative data analysis to examine main and moderated crossover effects of parent-mediated interventions on depression and anxiety symptoms in youth in foster care*. [Poster Presentation]. The Society for Prevention Research annual meeting, Seattle, WA.

189. Leve, L. D. & Parra-Cardona, R. (2022, June). *Increasing resilience and reducing health disparities in Latinx communities*. [Paper symposium Chair]. The Society for Prevention Research annual meeting, Seattle, WA.
188. Leve, L. D., Hill, K. G., Kanamori, M., & Oro, V. (2022, June). *SPR mapping advances in prevention science VI task force*. [Roundtable Discussion]. The Society for Prevention Research annual meeting, Seattle, WA.
187. Schweer-Collins, M.L., Dierkhising, C., & Leve, L. (2022, June). *COVID-19 impacts for women with histories in juvenile justice* [Poster presentation]. The Society for Prevention Research Annual Meeting, Seattle, WA.
186. *Bates, E., Schweer-Collins, M., & Leve, L. D. (2022, May). *Longitudinal associations between adverse childhood experiences and depressive symptoms in young adulthood for women with histories in the juvenile justice system*. [Poster presentation]. The Society for Prevention Research annual meeting, Seattle, WA.
185. Yu, C., Paquin, S., Ganiban, J. M., Shaw, D. S., Reiss, D., Natsuaki, M. N., Leve, L. D., & Neiderhiser, J. M. (2022, March). *The effects of early childhood callous-unemotional behaviors on early adolescent conduct problems and the role of harsh parenting*. [Poster presentation]. Society for Research on Adolescence Biennial Meeting, New Orleans, LA.
184. Leve, L. D. (2021, June). Integrating biological data in prevention outcome research. In N. A. Gonzales (Chair), *Integrating biological data in prevention outcome research*. [Paper symposium discussant]. The Society for Prevention Research annual meeting, Online.
183. Chen, T., Liu, C., Leve, L. D., Ganiban, J. M., Natsuaki, M. N., Reiss, D., Shaw, D. S., & Neiderhiser, J. M. (2021, June). *Heritable, environmental, and timing effects on the intergenerational transmission of anxiety and depressive symptoms in early adolescence* [Oral presentation]. The Society for Prevention Research annual meeting, Online.
182. Stephanyan, S. T., Natsuaki, M. N., Ganiban, J. M., Neiderhiser, J. M., Shaw, D. S., Reiss, D. & Leve, L. D. (2021, May 26-September 1). *Does weight matter? The role of actual and perceived body weight in the trajectories of internalizing symptoms in childhood* [Conference presentation abstract]. Association for Psychological Science, virtual convention and poster showcase.
181. Anaya, B., Perez-Edgar, K., Leve, L., Ganiban, J., Shaw, D., Reiss, D., Natsuaki, M., & Neiderhiser, J. (2021, April 7-9). *Trajectories of behavioral inhibition as a function of genetic and environmental risk for psychopathology* [Paper presentation]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
180. Cao, M., Ganiban, J., Liu, C., Shaw, D., Reiss, D., Natsuaki, M., Leve, L. & Neiderhiser, J. (2021, April 7-9). Genetic and environmental influences on self-worth in young children. In J. Ganiban (Chair), *The kids will be alright: The roles of parents and children in promoting positive development*. [Paper symposium]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
179. Liu, C., Chow, S., Moore, G., Perez-Edgar, K., Leve, L., Shaw, D., Ganiban, J., Reiss, D., Natsuaki, M. & Neiderhiser, J. (2021, April 7-9). Co-development of externalizing behaviors across childhood at the within-person level: Heritable and rearing environmental influences. In E. Shewark (Chair), *Using intensive longitudinal approaches to understand child development*. [Paper symposium]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.

178. Perez, E., Natsuaki, M., Leve, L., Ganiban, J., Shaw, D., Reiss, D., & Neiderhiser, J. (2021, April 7-9). *Fetal alcohol spectrum disorder symptoms and maternal self-reports of prenatal alcohol exposure; Do they converge?* [Paper presentation]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
177. Robertson, O., Marceau, K., Natsuaki, M., Shaw, D., Reiss, D., Leve, L., Neiderhiser, J., & Ganiban, J. (2021, April 7-9). *Associations of child body mass index and the obesogenic environment in an adoption study* [Paper presentation]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
176. Schweer-Collins, M., Cioffi, C., & Leve, L. (2021, April 7-9). Adolescent childbirth moderates the association between childhood sexual abuse and depressive symptoms in emerging adulthood. In A. Busuito (Chair), *Parenthood at risk: Disentangling influences of maternal childhood maltreatment from other adverse experiences*. [Paper symposium]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
175. Wei, W., Ramos, A., Witherspoon, D., Maereg, T., Seay, D., Shaw, D., Reiss, D., Natsuaki, M., Ganiban, J., Leve, L., & Neiderhiser, J. (2021, April 7-9). Impact of timing of residential moves and fluctuations of neighborhood disadvantage on youth adjustment. In D. Witherspoon (Chair), *Environmental risk exposure and its effects from infancy to adolescence: Differential susceptibility to context*. [Paper symposium]. Society for Research in Child Development, 2021 Virtual Biennial Meeting.
174. Bonnie, R., Jackson, M., Williams, J., Russell, S., Leve, L. D., Cauffman, E., Backus, E. (2020, March). *The promise of adolescence: A report from the national academies of Sciences, Engineering, and Medicine* [Paper presentation]. Society for Research on Adolescence Biennial Meeting, San Diego, CA (Conference canceled).
173. Walden, E., Khurana, A., Leve, L., & Lindstrom, L. (2020, April 30-May 3). *Family predictors of college readiness among young women with disabilities: The mediating role of future aspirations* [Paper presentation]. Western Psychological Association, San Francisco, CA (Conference canceled).
172. *Chen, T., Liu, C., Leve, L., Ganiban, J., Natsuaki, M., Reiss, D., Shaw, D., & Neiderhiser, J. (2021, March 5-26). *Does pubertal timing interact with heritable and early environmental risks on internalizing problems?* [Poster presentation]. Society for Research on Adolescence Virtual Biennial Meeting, San Diego, CA.
171. *Griffin, A., Franz, D., Saldana, L., Leve, L. (2020, March 19-21). *A longitudinal follow-up of female adolescents in foster care and juvenile justice: Trauma symptoms and service utilization* [Poster presentation]. Society for Research on Adolescence Biennial Meeting, San Diego, CA (Conference canceled).
170. *Robertson, O., Marceau, K., Natsuaki, M., Shaw, D., Reiss, D., Leve, L., Neiderhiser, J., & Ganiban, J. (2020, March 19-21). Prenatal pathways to childhood BMI and early puberty: Testing the thrifty phenotype & overnutrition mechanisms. In Ruttle, P. (Chair), *Predictors and sequela of childhood and adolescent obesity* [Symposium]. Society for Research on Adolescence Biennial Meeting, San Diego, CA (Conference canceled).
169. *Stepanyan, S., Natsuaki, M., Neiderhiser, J., Shaw, D., Reiss, D., & Leve, L. (2020, March 19-21). *Youths' behavioral problems and interparental disagreements about parenting: The mediating role of negative parenting* [Poster presentation]. Society for Research on Adolescence Biennial Meeting, San Diego, CA (Conference canceled).

168. Varghese, A. M., Stepanyan, S. T., Natsuaki, M. N., Neiderhiser, J. M., Shaw, D. S., Ganiban, J. M., Reiss, D., & Leve, L. D. (2021, March 19-21). *How adoptive parents' views on genetic inheritance impact the association between child shyness & parental competence* [e-poster presentation]. Society for Research on Adolescence Biennial Meeting, virtual meeting.
167. *Walden, E., Khurana, A., & Leve, L. D. (2020, February 5-8). *Family risks and college/career readiness associations for young women with disabilities*. [Poster presentation]. Council for Exceptional Children Convention and Expo, Portland, OR.
166. Brindis, C. D., Cauffman, E. E., & Leve, L. D. (2019, May 28-31). *Emerging, hot topic: The promise of adolescence* [Symposium]. Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
165. *Garcia Isaza, A., Griffin, A. M., Leve, L. D., & Cioffi, C. (2019, May 28-31). *Maltreatment and placement changes as predictors of risky decision-making in adolescent girls* [Poster presentation]. Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
164. *Griffin, A. M., Leve, L. D., Shaw, D. S., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Neiderhiser, J. M. (May, 2019 28-31). *School readiness: Testing a translational prevention model* [Symposium]. Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
163. *Ramos, A., *Griffin, A. M., Shaw, D. S., Leve, L. D., Reiss, D., Ganiban, J. M., Natsuaki, M. N., & Neiderhiser, J. M., (2019, May 28-31). *Parental depression, prenatal distress, and social competence in early childhood: Using an adoption design to disentangle genetic and environmental influences* [Poster presentation] Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
162. Walker, S., Leve, L. D., & Duong, M. (2019, May 28-31). *Mechanisms of change at the client and organizational level for selective prevention programs embedded within juvenile courts: Results from a female-specific study* [Symposium]. Society for Prevention Research 27th Annual Meeting, San Francisco, CA.
161. Elliot, D. L., Racer, K., McGinnis, W., DeFrancesco, C., Leve, L. D., & Kuehl, K. (2019, May 28–June 1). *Incarcerated young women's exercise and sleep behaviors: A needs and feasibility study* [Poster presentation]. American College of Sports Medicine Annual Meeting, Orlando, FL.
160. *Bray, B., Moore, G., *Liu, C., Roben, C., Leve, L. D., Shaw, D. S., Ganiban, J. M., Reiss, D., Natsuaki, M. N., & Neiderhiser, J. M. TEACHING & ADVISING

Teaching (number of credits – term)

AY 2023–24: Courses Taught (credits)

CPSY 621: Lifespan Development (3)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F, W, S)

AY 2022–23: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F, W, S)

AY 2021–22: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F, W, S)

AY 2020–21: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F, W, S)

AY 2019–20: Courses Taught (credits) SABBATICAL YEAR

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F)

CPSY 607: Doc Sem Adol Risk (1 – F)

AY 2018–19: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F,W,S)

CPSY 607: Doc Sem Adol Risk (1 – F,W,S)

AY 2018–19: Guest Lecturer

PREV 607: Capstone Prevention Science

AY 2017–18: Courses Taught (credits)

PREV 607: Doctoral Seminar: Prevention Science Research (1 – F,W,S)

CPSY 607: Doc Sem Adol Risk (1 – F,W,S)

AY 2017–18: Guest Lecturer

EMPL 659: Professional Writing for Publication

AY 2016–17: Courses Taught (credits)

CPSY 607: Doctoral Seminar: Adolescent Health-Risking Behavior (1– F,W,S)

AY 2016–17: Guest Lecturer

EMPL 659: Professional Writing for Publication

LAW 610: Child Development and the Law

EDUC 612: Social Science Research Design

AY 2015–16: Courses Taught (credits)

CPSY 643: Community and Preventive Interventions (3)

FHS 420: Research Methods in Family & Human Services (4)

CPSY 607: Doctoral Seminar: Adolescent Health Risking Behavior (1 – F,W,S)

AY 2015–16: Guest Lecturer

EDUC 610: Foundations of Educational Research

FHS 407: Global Citizenship: Nicaragua

FHS 410/510: Addressing Challenging Behavior

AY 2014–15: Courses Taught (credits)

CPSY 643: Community and Preventive Interventions (3)

FHS 491: Professional Issues I Discussion Sections (2), APA writing

CPSY 607: Doctoral Seminar: Adolescent Health-Risking Behavior (1 – F,W,S)

AY 2014–15: Guest Lecturer

LAW 610: Child Development and the Law

FHS 410: International Adoptions

PSY 607: Seminar Developmental Research Group

CPSY 642: Child–Family Interventions

FHS 407: Global Citizenship: Panama

AY 2013–14: Courses Taught (credits)

Statistics
Developmental Psychology
Cognitive Development

Advising

Ph.D. Students, Primary Advisor

Maya Casper, Prevention Science, University of Oregon, 2023–present
Avery Turner, Prevention Science, University of Oregon, 2022–present
Reid Thompson Cañas, Counseling Psychology, University of Oregon, 2022–present
Elizabeth Bates, Prevention Science, University of Oregon, 2021–present
Lue Williams, Counseling Psychology, University of Oregon, 2020–present
Alejandra Garcia Isaza, Prevention Science, University of Oregon, 2017–2022
Maria Schweer-Collins, Prevention Science, University of Oregon, 2019–2020
Camille Cioffi, Prevention Science, University of Oregon, 2017–2020
Maira Birrueta, Counseling Psychology, University of Oregon, 2016–2023
Rachel Kovensky, Counseling Psychology, University of Oregon, 2015–2021
Cady Kintner, Counseling Psychology, University of Oregon, 2014–2020
Emily Reich, Counseling Psychology, University of Oregon, 2013–2019
Nick Hong, Predoctoral minority supplement awardee, Psychology, University of Oregon, 1998–2000. Current position: Clinical Director, Montana Academy

Postdoctoral Fellow, Primary Mentor

Diana Jenkins, Postdoctoral Fellow, University of Oregon, 2022–
Veronica Oro, Postdoctoral Fellow, University of Oregon, 2021–
Kate Bromley, Postdoctoral Fellow, University of Oregon, 2019–2020. Current position: Research Associate, Center on Child Development, University of Oregon.
Amanda Griffin, Postdoctoral Fellow, University of Oregon, 2018–2021. Current position: Researcher, Chapin Hall, University of Chicago.
Hannah Tavalire, Postdoctoral Fellow, University of Oregon, 2017–2021. Current position: Statistician, United States Department of Veterans Affairs
Kimberly Rhoades, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2013. Current position: Assistant Research Scientist, Department of Cariology and Comprehensive Care, New York University
Mark Van Ryzin, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2012. Current position: Research Associate Professor, Center for Human Development, University of Oregon
Anne Mannering, Postdoctoral Fellow, Oregon Social Learning Center, 2009–2011. Current position: UO Online Master's in Psychology Program Director and Lecturer
Heidmarie Laurent, Postdoctoral Fellow, Oregon Social Learning Center, 2008–2010. Current position: Associate Professor of Human Development and Family Studies and Edna Bennet Pierce Professor of Compassion and Caring, Penn State University

Shannon Lipscomb, Postdoctoral Scholar position, Oregon Social Learning Center, 2007–2011.

Current position: Director of Research and Associate Professor of Human Development and Family Sciences, Oregon State University Cascades

Amber Johnson, Postdoctoral Fellow, Oregon Social Learning Center, 2005–2006. Current position: Statistical Analyst III, State of Nebraska, Dept of Health and Human Services, Division of Behavioral Health

Postdoctoral Fellow, Secondary Mentor

Kit Elam, Postdoctoral Fellow, University of Leicester, UK, 2009–2011. Current position: Associate Professor, School of Public Health, Applied Health Sciences, Indiana University, Bloomington

David Kerr, Postdoctoral Fellow, Oregon Social Learning Center, 2008–2010. Current position: Professor, School of Psychological Science, Oregon State University

Dissertation Committee Chair

Lue Williams, Ph.D. in Counseling Psychology, University of Oregon, 2024 (expected). “Influence of parental hostility and socioeconomic stress on children’s internalizing symptom trajectories from early childhood to adolescence.”

Alejandra Garcia-Isaza, Ph.D. in Prevention Science, University of Oregon, 2022. “Identifying structural and relational components in a family-school intervention program: Family school connections among Latina/o immigrant families.”

Maira Birrueta, Ph.D. in Counseling Psychology, University of Oregon, 2022. “A family-school engagement pilot of Proyecto Juntos: Latinx immigrant parenting and youth academic self-efficacy.”

Rachel Kovensky, Ph.D. in Counseling Psychology, University of Oregon, 2021. “Adverse childhood experiences and sexual risk behavior in female youth: Examining the medicating role of externalizing behaviors and substance use and the moderating role of resistance to peer influence and parent support.”

Maria Schweer-Collins, Ph.D. in Prevention Science, University of Oregon, 2020. “Disruptions in intergenerational childhood maltreatment for dual system-involved women: The protective roles of mental health services and parenting.”

Camille Cioffi, Ph.D. in Prevention Science, University of Oregon, 2020. “The dynamic interplay between parent depressive symptoms and child behavior problems on child psychiatric disorders: An adoption study.”

Cady Kintner, Ph.D. in Counseling Psychology, University of Oregon, 2020. “Girls Circle and The Council for Boys and Young Men in schools: Evaluation of two gender-specific support groups.”

Emily Reich, Ph.D. in Counseling Psychology, University of Oregon, 2019. “Associations between impulsivity, adverse childhood experiences, and suicide ideation in a sample of at-risk teen girls.”

Dissertation Committee Member – Core Member

Lauren Berney, Ph.D. in Prevention Science, University of Oregon (2025, expected). “Recovery high schools as continuing care: Long-term recovery effects and mechanisms of change.”

Yahaira Garcia, Ph.D. in Counseling Psychology, University of Oregon (2024, expected). “Tienes suficiente...?” Ability to meet basic needs and behaviors during the COVID-19 pandemic.”

Joanna Wright, Ph.D. in Prevention Science, University of Oregon (2023). “Correspondence of global and momentary reports of emotion-related socialization behaviors among caregivers of young children.”

Heather Leonard, Ph.D. in Prevention Science, University of Oregon (2023). “Longitudinal associations between early parenting and adolescent allostatic load: The mediating role of self-regulation.”

- Shaina Trevino, Ph.D. in Prevention Science, University of Oregon, 2022. “The impact of prenatal and postnatal early life stress on pubertal timing and adolescent aggression.”
- Kaitlin O’Brien, Ph.D. in Counseling Psychology, University of Oregon, 2022. “Examining parental knowledge and involvement as predictors of adolescent impulsivity and alcohol use intentions and frequency.”
- Mark Hammond, Ph.D. in Prevention Science, University of Oregon, 2021. “Examining the effects between teacher qualifications and program implementation on improving social skills.”
- Aleksandria Perez Grabow, Ph.D. in Counseling Psychology, University of Oregon, 2019. “Is the influence of media violence exposure on adolescent physical aggression moderated by exposure to real-life violence?”
- Amala Shetty, Ph.D. in Counseling Psychology, University of Oregon, 2018. “The associations between complementarity, non-complementarity, and attachment style.”
- Katelyn Anderson, Ph.D. in Counseling Psychology, University of Oregon, 2017. “Parenting behaviors during adolescence and associations with emerging adult educational attainment and mental health.”
- Jessica Linscott, Ph.D. in Counseling Psychology, University of Oregon, 2017. “The intergenerational continuity of child maltreatment: An examination of adolescent, young adult, and reproductive risk factors among high-risk women.”
- Audra Horney, Ph.D. in Counseling Psychology, University of Oregon, 2015. “Eating disorder group-based trajectories, associated risk factors, and the impact of prevention.”
- Kimbree Brown, Ph.D. in Counseling Psychology, University of Oregon, 2014. “Ecological predictors of school service usage and early academic skills in kindergarten children with developmental disabilities and delays.”

Dissertation Committee Member – Institutional Representative

- Sarah Donaldson, Ph.D. in Developmental Psychology, University of Oregon (2023, expected). “Pubertal influences on the development of mating motivations in adolescence.”
- Jessica Flannery, Ph.D. in Clinical Psychology, University of Oregon, 2020. “Gut feelings: What the gut-brain axis may reveal about depressive symptomatology during adolescence.”
- Rebecca Franz, Ph.D. in Special Education, University of Oregon, 2017. “Coaching teaching assistants to implement naturalistic behavioral teaching strategies to enhance social communication skills during play in the preschool classroom.”
- Kathryn Gilliam Beauchamp, Ph.D. in Clinical Psychology, University of Oregon, 2017. “Context-specific inhibitory control training in adolescents with a range of early life stress exposure: Employing a translational neuroscience approach for innovative intervention development.”
- Rosemary Bernstein, Ph.D. in Clinical Psychology, University of Oregon, 2016. “Identifying perinatal predictors of disorganized infant–mother attachment: An important step toward connecting families with appropriate early interventions.”
- Brianna Delker, Ph.D. in Clinical Psychology, University of Oregon, 2016. “Relationships without reward: The role of childhood abuse history in maternal addiction, mental health, and parenting.”
- Kara Hirano, Ph.D. in Special Education, University of Oregon, 2016. “Parent involvement in secondary special education and transition: A psychometric study.”
- Shannon Peake, Ph.D. in Clinical Psychology, University of Oregon, 2015. “Susceptibility to peer influence, social exclusion, and adolescent risky decisions.”

Dissertation Committee Member – International Member

- Kate Arnold, Ph.D. in Psychology, University of Sussex, 2016. “The influence of parental depression, interparental conflict and parent–child hostility on the development of psychopathology in children and adolescents.”

- Owen Niel Christopher Spear, Ph.D. in Clinical Psychology, Melbourne School of Psychological Sciences, 2013. "Neighborhood disadvantage and internalizing symptoms in adolescents: The mediating role of stressful life events, temperament, and maternal aggression."
- Magdalena Kieplikowski, Ph.D. in Psychology, Victoria University of Wellington, 2011. "Family dynamics and children's outcomes: The role of silent interparental conflict."
- Emma Howarth, Ph.D. in Psychology, Cardiff University, 2008. "Interparental conflict, domestic violence and children's psychological development: The role of children's perceptions of parental behavior."

Dissertation Committee: Data Mentor/Sponsor (unofficial dissertation committee member)

- Mary Marsiglio, Ph.D. in Counseling Psychology, University of Oregon, 2012. "Examining the link between trauma and delinquency for juvenile delinquent girls: A longitudinal study."
- Bernadette Bullock, Ph.D. in Clinical Psychology, University of Oregon, 2004. "Deviant peer association and problem behavior: A test of genetic and environmental influences."

Master's Students

- Filip-Bogdan Serban-Dragan, MS in Prevention Science, University of Oregon, 2024 (pending). "The longitudinal relationship between socioeconomic status, child separation anxiety symptoms, and school achievement in 1st grade."
- Karissa Ornelas, MEd in Prevention Science, University of Oregon, 2023. "Examining the association between adolescent depression and marijuana use in young adulthood."
- Andre Klest, Prevention Science, University of Oregon, 2016–2022.
- Adriana Conn, MS in Prevention Science, University of Oregon, 2022. "Investigating the role of interpersonal sensitivity and parental rejection on juvenile offending among girls."
- Rebekah Greig, MEd in Prevention Science, University of Oregon, 2020. "Failed adoption, sexual abuse, and suicide in a high-risk sample of female adolescents."
- Daschel Franz, MEd in Prevention Science, University of Oregon, 2019. "Longitudinal associations between trauma symptoms, mental health, and service utilization in women with juvenile justice system involvement."
- Randall Gottfriedson, MEd in Prevention Science, University of Oregon, 2020. "Colville Tribes confront mental health issues with Assertive Community Treatment."
- Xiao Cheng, MS in Prevention Science, University of Oregon, 2019. "The association between depression and delinquent behaviors in adolescent girls in foster care."
- Muzi Li, M.S. in Prevention Science, University of Oregon, 2018. "Family and individual predictors of attachment in emerging adulthood."
- Aliya Khan, M.S. in Counseling, Family, and Human Services, University of Oregon, 2016. "Substance use during pregnancy in teenage women: mental health and social support factors"

Master's Students Thesis Committee Member

- Anna Bartuska, MS in Psychology, University of Oregon, 2023. "Provider adherence to modular Cognitive Behavioral Therapy for children."
- Adam Pettit, MS in Psychology, University of Oregon, 2018. "Putative brain maturation as a moderator of intervention success in adolescent girls."
- Lindsay Taraban, MS in Psychology, University of Pittsburgh, 2015. "Maternal depressive symptoms and parenting behavior: Moderation by marital quality and child negative emotionality."
- Julia Reuben, MS in Psychology, University of Pittsburgh, 2014. "Behavioral inhibition and effortful control: Independent and interactive predictors of child externalizing behavior."

Master's Students, Capstone Project: Data Mentor

- Savannah Callahan, MEd in Prevention Science, University of Oregon, 2019. "Associations between foster care placements, delinquency, and substance use in girls."

- Debbie Hymas, MEd in Prevention Science, University of Oregon, 2019. “Associations between delinquency and treatment services in juvenile justice girls.”
- Selam Wako, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2016. “Impulsivity and marital warmth and hostility in adoptive and birth families.”
- Jenna Gilardi, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Multidimensional Treatment Foster Care in juvenile justice system: Outcomes for females with sexual abuse history.”
- Alana Hu, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Peer relations and delinquency in foster girls following a skill-building preventive intervention.”
- Roger Wert, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Self-concept and academic achievement.”
- Lindsey Low, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2015. “Adolescent parenthood and associated risk of adult involvement with child welfare”
- Laura Johnson, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014. “Emergency room visits among women with prior juvenile justice involvement.”
- Timothy Matthews, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014. “Distance from home and outcomes in delinquent girls referred for out-of-home care.”
- Brian Reece, M.Ed. in CFHS, Prevention Science specialization, University of Oregon, 2014. “Are racial attitudes associated with birth mothers’ decision to place infant with same-sex couples?”
- Current position: Associate Director for Assessment and Communication, University of Miami
- Tom Hollenstein, M.S., Psychology, University of Oregon, 2001. Current position: Associate Professor, Queen’s University, Department of Psychology

Preliminary Exam Committee Member

Robin Hertz, Clinical Psychology, University of Oregon, 2015–16.

Undergraduate Honor’s Thesis Committee Member

- Whitney Warth, Department of Counseling Psychology and Human Services and the Robert D. Clark Honors College, University of Oregon, 2021, “Associations between openness in adoption and adoptee life satisfaction: A comparison of transracial and same-race adoptions.”
- Sophie Thackray, Family & Human Services and the Robert D. Clark Honors College, University of Oregon, 2014. “Those to whom evil is done do evil in return: The importance of improving children’s welfare policy for the prevention of juvenile delinquency in the United States.”
- Tiffany Lee, Sociology and the Robert D. Clark Honors College, University of Oregon, 2007, “Educational aspirations and delinquency among adolescents.”
- Brooke Parrill, Psychology and the Robert D. Clark Honors College, University of Oregon, 2007. “Delinquent girls’ methamphetamine use.”
- Christine Adams, Psychology and the Robert D. Clark Honors College, University of Oregon, 2002. “Attachment and educational aspirations.”
- Felicity Harper, Psychology and the Robert D. Clark Honors College, University of Oregon, 1998. “Twins’ peer and sibling relations.”

Undergraduate Research Advisor

- Allie Harris, FHS student, University of Oregon, 2020-2021
- Madison Fetzter, FHS student, University of Oregon, 2019.
- Sarah Martin, Psychology student, University of Oregon, 2019.
- McKenzie White, FHS student, University of Oregon, 2015–2016
- Arielle Handforth, Stanford University, NIDA summer research internship, summer 2015
- Selam Wako, FHS student, University of Oregon, winter 2015
- Ashley Brady, FHS student, University of Oregon, winter 2014; spring 2014

Mariam Admasu, FHS student, University of Oregon, NIDA summer research internship, summer 2014

High School Student Advisor (research; senior thesis)

Madison Anderson, Glendora High School, 2018–19

Emma Wu Shortt, South Eugene High School, 2015–16

Sophie Kreitzberg, South Eugene High School, 2014

SERVICE

Institutional Service: University of Oregon

University Service

2023 –	Chair, Search Committee for the Provost and Senior Vice President
2023–	Advisory Board Member, Center for the Science and Practice of Well-Being (D. McCormick)
2023	Member, Search Committee for Director, School of Computer and Data Science
2022–	Member, Executive Committee, The Ballmer Institute for Children’s Behavioral Health
2022	Chair, Executive Director Search Committee, The Ballmer Institute for Children’s Behavioral Health
2021-2023	Advisor to the ASUO Senate President, Center for Current and Former Foster Youth initiative
2021–2022	Chair, Research Task Force, College of Design
2021–2022	Steering Committee, COVID-19 Monitoring and Assessment Program (MAP)
2021	Co-Chair, Oregon State University & University of Oregon Joint Advisory Task Force to advise the universities on the factors and considerations that will inform onsite/in-person resumption decisions for the 2021 (FY22) academic year
2020	Co-Director and interim Executive Director, COVID-19 Monitoring and Assessment Program (MAP)
2019–	Member, UO-OHSU Joint Research Center Steering Committee, Biomedical Data Science
2019	Chair, Assistant Vice President for Research Facilities Search Committee
2019	Search Committee Member, Provost and Senior Vice President
2018–2019	Member, Knight Campus Tenure Track Faculty Personnel Committee
2018–2021	OHSU-UO Task Force, Co-Chair
2018	Chair, Assistant Vice President for Research Integrity and Operations Search Committee
2018	Member, Visioning Committee for the Presidential Initiative in Data Science
2017–2020	Internal Advisory Board for the Knight Campus for Accelerating Scientific Impact
2017–2018	Search Committee Member, Human Microbiome Science
2017–2018	Search Committee Member, Executive Director of the Phil and Penny Knight Campus for Accelerating Scientific Impact
2017–2018	Member, President’s Ad Hoc Budget Advisory Committee
2016–2017	Member, Advisory Committee on Applied and Translational Science
2016–2017	Member, Research Advisory Board, Office of the Vice President for Research and Innovation
2016–2017	Member, Conflict of Interest in Research Committee
2015–2016	Search Committee Member, Vice President for Research and Innovation
2015	Member, Life Sciences Task Force
2014–2015	Member, Presidential Search Committee

2014 Search Committee Member, Associate Vice President for Research
 2013–present Associate Director, Prevention Science Institute

College of Education Service

2021 Educational Methodology Faculty Search Committee, Member
 2021 Educational Methodology Task Force, Member
 2019 Chair, Research Track Faculty Taskforce
 2018–2019 College of Education, Faculty Personnel Committee, Member
 2017–2019 Faculty Advisory Committee
 2016–2017 Chair, Applied Methodologist Faculty Search Committee
 2015–2016 Chair, Leona Tyler Endowed Lecture Series Committee
 2015 College of Education, Curricular Innovations Workgroup, Member
 2014–2015 College of Education, Faculty Personnel Committee, Member
 2014–2015 School Psychology Faculty Search Committee position 1, Member
 2014–2015 School Psychology Faculty Search Committee position 2, Member

Department Service

2023 Chair, Search committee, Career Instructor (.50 FTE), writing instruction
 2020–2021 Program Director, Prevention Science degree programs (MEd, MS, PhD)
 2019–2022 Faculty mentor, Dr. Bertranna Muruthi
 2017–2019 Associate Program Director, Prevention Science degree programs (MEd, MS, PhD)
 2015–2017 Inaugural Program Director, Prevention Science doctoral program
 2015–2016 Service-Learning Program, Courts for Kids Service Learning Trip to Nicaragua, supervisor of UO students
 2015–2016 Health Promotion and Obesity Prevention Cluster Hire Search Committee, College of Education (three faculty positions)
 2015–2016 FHS curriculum workgroup
 2014–2016 Prevention Science and Health Promotion graduate degrees, program development
 2014–2015 Service-Learning Program, Courts for Kids Service Learning Trip to Panama, supervisor of UO students
 2014 CPHS Merit Policy Work Group, Member
 2014–present CPSY Graduate Admissions Committee, Member
 2014 FHS ECE Program Evaluation Committee, Member
